WORK EXPERIENCE

Intern

[REDACTED] [08/2018 – 08/2018]

City: [REDACTED]

Country: Indonesia

I did my internship at [REDACTED] specifically in production part. I was supposed to determine the cause of scrap production in cup noodles processing. I also learned about the processing of cup noodles in industrial scale and managed to learn to work in Quality Control part.

Quality Control Chemist

[REDACTED] [07/2018 – 07/2018]

City: [REDACTED]

Country: Indonesia

[REDACTED] is a small-scale project whose arrangement resembles the food industry in the real life. My role was Head of Quality Control Chemists, part of Quality Control Division. We did several analysis for the bread that we produce to determine the nutritional value. My job is to determine what kind of analysis that suitable to get the results we want.

MANAGEMENT AND LEADERSHIP SKILLS

Member of Student Executive Board (BEM) 2017 at Faculty Level

Head of event division in [REDACTED]

- Make sure that the event would be running smoothly and on-time
- Determine what the theme was and who the guest speakers were

This was my first opportunity as a division leader in college. One thing I realized what I need to improve is how to properly communicate with my team members so they would feel belonged and not hesitated to give their opinions.

Head of Question Maker Division at [REDACTED]

Leading the Question Maker Team to create a list of questions and determining the rules and juries of the competition. We took part as Liaison Officer (LO) for the juries. We also supervised the competition.
