

SAMISTONE

A Professional Monument Manufacturer

INTRODUCTION

Samistone, founded in 2009 and located in Xiamen City, is your one-stop solution for monument suppliers. The company specializes in manufacturing all kinds of tombstones and monuments

/

Samistone has extensive experience in meeting production requirements and standards for the North American and European markets after serving dealers and cemeteries through the years while supplying projects such as the monument of the former Prime Minister of Barbados.

/

Samistone prides itself on supplying top-class materials, implementing strict processing standards at every stage of their top-class production process. Our designer, craftsman, and artist team can bring your ideas to life with precision. Additionally, Samistone guarantees reliable supply chain management and delivery services.
