Communications Toolkit: DPS Coach Mentoring Program

Thank you for sharing about this impactful program with your network!

Below is a sample newsletter blurb and social media copy to use in your outreach, if helpful. Questions? Contact the DPS External Partnerships Team at careerandcollegesuccess@dpsk12.org.

Denver Public Schools is still seeking area professionals to join their [Coach Mentoring Program](#) for the upcoming 2024-25 School Year. This is a great opportunity for those looking to support young people along their career/post-secondary journey!

Coach Mentors meet with high school students for 2.5 hours/month as part of a facilitated convening led by DPS staff. Sessions take place from September through May. In addition to the option of participating in an industry-specific mentoring cohort (Medical, Engineering, Business, etc.), there is a high need for individuals to join one of several affinity-based groups. These include Spanish Speaking and BIPOC cohorts.

[Coach Mentor applications](#) are due July 31, with the program's first sessions kicking off in mid-late September. Interested to learn more about the program before applying? Email the Coach team at careerandcollegesuccess@dpsk12.org.
