

Tripsitter

[Tripsitter](#) is an evidence-based media publication exploring the safe and responsible use of psychedelics. Our goal is to provide easy to consume information on the topics of magic mushrooms, ketamine, and MDMA. Our magic mushroom guides cover more than 100 different magic mushroom strains, guides on where magic mushrooms are legal, and even how to grow your own shrooms at home. Our directory features ketamine-assisted psychotherapy centers ranked by user ratings and vetted by our editorial medical review board.
