Image	Image Source	Web Address (if applicable)	Comment
	Da Font	https://www.dafont.com/	I choose this font because I feel that it matches my genre really well and the colours.
	Google Images	https://www.google.co.uk/search?q=barcode&safe=strict&source=images&tbm=isch&sa=X&ved=2ahUKEwi3stSw34LnAhViURUIHe68BU0QAUoAXoECA4QAw&biw=1920&bih=937&sout=1&surl=1&safe=vss&btnG=Search	Every magazine uses a barcode.
	This is an image that I took myself.	N/A	I used this image for my front cover because I feel like it reflects the pop genre and it also has a lot of colours which I wanted.

	<p>This is an image that I took myself.</p>	<p>N/A</p>	<p>This picture that I took fits in really well in my article because in the background the colours are very vibrant and loud, so they're reflecting the pop genre quite well.</p>
	<p>This is an image that I took myself.</p>	<p>N/A</p>	<p>This picture that I took, it's like the front cover image but I a bit more fun than the other ones because the others are a bit more serious.</p>
