## 1. Introduction

Welcome to "Fair Play and Win!"! We are committed to respecting your privacy. This Privacy Policy governs your use of our iOS application. Here, we describe the considerations and practices regarding the information we do not collect from users of our application.

## 2. Information Collection and Usage

We do not collect any personal or non-personal information from our users. We value your privacy and work diligently to ensure a safe and secure user experience.

## 3. User Consent

By choosing to use our application, users understand and consent that no personal or non-personal data will be collected or stored during the use of the application.

## 4. Third-Party Services

Our application does not involve any third-party services that may collect or use your information. We do not share any user information with third-party entities, as no such information is collected.

## 5. Security

Even though we do not collect personal data, we are committed to ensuring that our users have a secure experience. Users can freely use the application without concerns regarding the compromise of personal information.

## 6. Children's Privacy

Since we do not collect information, the application is compliant with the protection of children's privacy, ensuring a safe environment for users of all ages.
