

EMCEE KELLA-RUN RUN

(Prod. By Stormy Jay)

[Verse 1]

Now who's the real dukie? Meaning who's the best to do this
Dress me in Gucci, Emcee Kella 2-4-7 on duty
Show me a newbie in a hoodie, I'll show you the best to ever do it
I know am bragging, but only God can judge me
Lotta cursing in my rhyme scheme but Mama forgive me
you taught me better but c'mon Ma I'm chasing this paper
plus all this haters on my case wananisweat vi-major
ati Emcee Kella you whack, nipe that bar beat from Flapp
got that diploma in rap and my flow is up kama roofing
call me out when only fan is screwed to the ceiling
life is a wheel of fortune, and it's my turn to spin it
find me high in the booth, that debut coming through
K-DASS crew on the loose, you all substitutes
we strapped down to the boots and we ready to shoot
so when the crew says run run you do run run
now that the crew said run run, do run run

[Chorus]

when Emcee Kella says run run you do run run
when Emcee Kella says run run you do run run
do the nae nae, do the dougie, smoke a doobie, be a dummy
but when I do say run run you do run run x2

[Verse 2]
