

GIRL CRUSH

A Kpop girl group fic exchange

PROMPTING GUIDELINES

IMPORTANT RULES FOR PROMPTING: No rape/non-con, no smut/nsfw plots, gender-swaps, abuse, sexualization of minors,

GIRL GROUPS WRITTEN FOR: Any, but the groups most written for are Twice, Red Velvet, BlackPink, Loona, Dreamcatcher, IZ*ONE, ITZY, (G)I-DLE, Gfriend, and Mamamoo.

To send in your prompt, use the Prompting Form. There are *four slots* to fill out. The **first** slot is for your prompt/request: write out the prompt you want to be written here and remember to be specific. The **second** slot is for the group and pairing: please specify the group and members you want this fic to be written for, as well as any other pairings you would like to see present in the fic. The **third** slot is for you to tell us what rating you would prefer this fic to be: if you don't care or don't have a specific rating in mind, you can leave this slot blank. The **fourth** and final slot is for notes: if there is anything you want or do *not* want included in your prompt, please tell us here. You can also use this slot to further explain how you want your prompt to be written or if you want any specific tropes or AUs.

All prompts will be anonymous, and you can submit more than one prompt if you want, but there are a limited number of writers and many more readers, so there's no guarantee your prompt will be chosen.

This is a ship fic fest, meaning no idol and reader prompts.

CLAIMING GUIDELINES

Once the prompting period is over, the list of prompts will be posted for all writers to see. Claiming is on a first come first serve basis, so the quicker you are, the more likely you are to get your first choice.

The prompts will be numbered. When you've chosen the prompts that are your first and second choices, fill out the following form and either email it to girlcrushficexchange@gmail.com or message it to @girlcrushficexchange on Tumblr:

- Tumblr username:
- Archive of Our Own username:
- First choice #:
- Second choice #:

We will reply confirming your claim as quickly as possible. You may choose two prompts, but only if you know for sure you can complete both prompts by the deadline. If you finish your first prompt before the deadline and would like to pick up another one, please email the admin and let them know which prompt # you would like to claim.

WRITING GUIDELINES

RULES FOR WRITERS: All triggers must be properly listed, as well as the rating for your story. Use the appropriate tags when tagging your story (i.e: major character death, angst, etc.). Do not reveal your prompt until the reveal date. No rape/non-con or abuse. Serious topics are allowed, but please tag them appropriately. No explicit smut, but steamy scenes can be alluded to.

The stories for this fic fest will be posted on Archive of Our Own, so please make sure to make an account. It's free and relatively easy to use, but if you need any help please reach out to the admin. Stories will be posted directly to the Girl Crush collection on Archive, where the admin will then reveal a few stories a day after the deadline, then will reveal authors on the last day. You can find a tutorial on collections here.

Based on the deadline, one shot fics are both expected and encouraged, but if you can write a chaptered fic before the deadline, then feel free.

Author reveals will be posted on the Girl Crush Tumblr page on reveal day after giving everyone the change to read and make guesses. After this, feel free to post your fic on your Tumblr account, but please keep your fic a secret until then. You can also queue your fic to post on reveal day.

We do have a Discord chat for those of you who would like some company while writing.

If you have any questions about anything, just reach out to the admin! I'm happy to answer and help in any way I can!
