

NO. FR77570

THE STATE OF TEXAS § IN THE DISTRICT COURT

VS. § OF BELL COUNTY, TEXAS

REBECCA MARIE ESTRADA § 27TH JUDICIAL DISTRICT

MOTION FOR EARLY RELEASE

To The Honorable Judge of Said Court:

Now comes the Defendant in the above entitled and numbered cause and files this her motion for an early discharge from community supervision and would show the court the following:

I.

That on the 7th day of June, 2018, the Defendant was placed on community supervision for a period of ten years for the offense of Injury to A Child with Serious Bodily Injury. That the Defendant has satisfactorily completed five years of the original community supervision period.

II.

All costs of court, restitution, and probation fees to date have been paid. There was an order restitution to pay to persons not named in the indictment. There was, however, a significant insurance payment of \$305,000 made that should have covered the restitution to all parties, including \$30.00 to Erin Griffith and \$1,559.91 to Gregory Griffith. Nevertheless, Ms. Estrada has paid on this restitution in full.

III.

Defendant would show that she needs to be released from community supervision for the following reason, because it is interfering with her ability to seek gainful employment opportunities.

Respectfully submitted,
