## **Peer feedback form**

---

### **Did you find this essay engaging? Why or why not?**

*Some questions to consider:*

- *Does the author describe the activity vividly enough that our readers will understand the points they make about it?*
- *Does this essay explore a question that will be interesting and meaningful for our target readers?*

### **Did you find this essay satisfying to read? Why or why not?**

*Some questions to consider:*

- *Does this essay illuminate something that wouldn't be obvious to our target readers? Does it offer interesting insights?*
- *Are the explanations satisfying? Is the author's reasoning persuasive? When the author says something is true, do they "show how they know it's true"?*

**Any other comments?**
