

Unit One: Ethic in Business

Sequence One: Listen and Consider

Think, Pair, Share

Dear fellow citizens,

Corruption is an evil that must be fought now! In order to win this fight I urge all people of good will to unite around me.

If I were elected Head of State, I would implement the following anti-corruption programme. To begin with, I would appoint dedicated civil servants who would work honestly for the country: stealing money or accepting a bribe in exchange for a service is unethical and illegal. Next, I would pass stringent laws to protect citizens and punish embezzling and bribe-taking. I cannot tolerate those honest citizens be the victims of corrupt civil servants.

I would also fight tax evasion and capital flight. Those who earn a lot of money must pay their taxes and contribute to the development of the country. Therefore, any tax evader would be severely punished by specially appointed tribunals.

Finally, I would rehabilitate the value of work. Mutual trust is a moral value that we should teach our children from infancy. A little money earned honestly brings a lot of happiness and peace of mind.

To conclude, I could tell you, fellow countrymen that your role as citizens is indispensable to fight corruption. No government can succeed without the help of civil society. Therefore, I urge you again to gather around me to win this decisive battle.

Vote for honesty! Vote for me!
