# JUGEND:INFO

Jugend:info Niederösterreich is a coordinating organisation with many years of experience in volunteer coordination and in advising and supporting host organisations. Twice a year we organise an ESC Volunteer Day to get to know each other. We visit a chosen part of Lower Austria to learn and experience the local language, history and culture. Approximately every two months, around 15 volunteers from all over Lower Austria meet at the Youth Information Centre in St. Pölten to exchange ideas. Many friendships have already been forged here.
