

MIDDLE SCHOOL STEM SUMMER CAMP

OSTCOnline.com

\$190/week

Registration is open!
Visit OSTCOnline.com to get started.

This summer, middle schoolers can participate in hands-on, project-based learning with Oakland Schools' STEM camps. Each camp is grade-specific, and enables students to experience culinary arts, engineering, health sciences, information technology, robotics and visual imagining.

Students also have the opportunity to visit STEM-related programs at Oakland University and will create professional portfolios during career day.

WHEN?

Incoming 6th graders: **June 25-29**
Incoming 7th graders: **July 9-13**
Incoming 8th graders: **July 16-20**

STEM Camp is from 8:30 am-3 pm.
After-camp care (optional) is from 3-6 pm.

COST?

Just \$190 per week, including lunch and snack!
*Dinner provided to students staying for after-camp care.
