The image shows the cover of the 'Daily Math Practice' workbook for Grade 3. It features two sample pages from the workbook. The top page is 'WEEK 3 DAY 5' and contains 'Activity 1' which asks students to follow lines to make the number 12 in each direction using the numbers 1, 3, 6, and 7. The bottom page is 'WEEK 3 DAY 3' and contains several math problems: 1) $32 + 8 =$, 2) two subtraction problems $18 - 6$ and $20 - 6$, 3) three US Liberty coins, 4) a comparison problem: 'Write the correct symbol in the circle. 169 183 523 299 ', and 5) a word problem about Scout Troop 27 with two clock faces. To the right of the pages is a vertical column of five colored boxes containing the letters M, T, W, T, F, representing the days of the week. The bottom of the cover has a decorative border of colorful squares.
