Skills:

Power and hand tools	Commercial construction
Machine operating	Start to finish construction
Dependable and reliable	Effective multi-tasking
Safety procedures knowledge	Valid drivers license and reliable vehicle
Works well independently	Dependable and reliable

Work Experience:

Laborer, Employer, Area – October 2015 – January 2017 & October 2016 – January 2017

- Brought vehicles into shop, raised on jacks, removed tires and preformed regular tire changing duties (tire change overs, balancing and reinstalling on customers vehicles). Was also trained in large truck tire change overs as well as taking inventory and storage of customer tires.

Laborer, Employer, Area – April 2016 – July 2016

- Was hired on to the crew as a laborer during the busy season to help finish up some jobs. Framing, building decks, insulation, prepping for brick layers and installing windows/doors.

Shop Hand, Employer, Area – January 2015 – July 2015

- Worked in the shop as a shop hand. Duties included operating table saws, edge banders, air nailers and other shop tools. Also went on install jobs where I helped the installers install cabinets into customers homes.

Laborer, Employer, Area – June 2013 – September 2014

- Worked on a construction crew as a laborer. My duties included measuring and cutting wood, framing, installing windows and doors, installing sheet steel on roofs and walls, forming and heating concrete and other construction duties.

More work experience available upon request.

Education and Certificates:

- Cabinetmaking at School, Area - **September 2014**
- Highschool Diploma at School, Area - **June 2013**
- Professional Chainsaw Handling - **July 2016**
- Working at Heights – **May 2016**
