My calling is to Christian service to share the gospel, disciple and to set the captives free in the specific area of music and worship missions.

I will do this by serving as staff at Youth With A Mission Amsterdam by:

- Helping to build the house of prayer in the Red Light District – the Tabernacle
- Supporting the base through worship ministry and training to develop excellence and artistry
- Reaching out into the city through music evangelism

The government requires me to have a minimum of 800 euros per month in pledges in order to supply me with a residence and work permit (even though YWAM does not pay their workers). So in addition to what is currently pledged I need 50 people to pledge 20 + dollars a month, but any amount helps. Would you be willing to prayerfully consider being my partner on this course God has set before me with financial support?

Look forward to hearing from you. Please feel free to contact me with any questions.

God bless in abundance
