

Patient Care Technician

- ✓ Includes English instruction
- ✓ Virtual and online classes
- ✓ Completely free

Would you like to work in a hospital, clinic or doctor's office?

Knowledge + Skills = Work

This training course for English (ESL) students will be a combination of online and in person classes. You can study, improve your English, and receive your Patient Care Technician Certification! We are now enrolling new students online and offering virtual orientations.

Class schedule:

To Be Confirmed
