Inhalation	Inhalation Is an Unlikely Route of Exposure

REV NO	1	PURO WET WIPES SAFETY DATA SHEET	ISSUE DATE	SEP 1 2023
--------	---	-------------------------------------	------------	------------

4- FIRST AID MEASURES

Eye Contact	This Cosmetic Product Is Not Considered to Be Irritating To The Eyes or Likely to Cause Any Long-Term Adverse Health Effects
-------------	--

5- FIRE FIGHTING MEASURES

Extinguishing Media	Not Flammable
---------------------	---------------

6- HANDLING AND STORAGE

Stability	Stable in Light Up to 150 Degrees Celsius
Conditions to Avoid	None
Cleaning of Equipment	Water
Handling Precautions	No Special Requirements
Safety Storage Measures	Store Away from Direct UV Light to Maximize Wipe Lifetime Use

7- PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Soft White Fabric Wet with Clear Liquid
Smell	Milk Scent
Color	White Material with Clear Liquid
pH	6.9 - 7.5
Flammability	Not Flammable
Reactivity	Stable Under Normal Conditions
Hazardous Decomposition	Biodegradable
Transport Information	Not Classified as Hazardous

8- OTHER INFORMATION

Any Chemical Can Be Safely Handled If Their Physical and Chemical Properties Are Known, And Proper Handling Measures and Safety Garments Used.

The Data Contained in This Data Sheet Is a Guide to The User and Are Based on Bibliographic Information and Experiences, Trying to Reflect Status.

It Is Considered That the Data Is Correct.

Its Application Does Not Preclude Compliance with Current Regulations.
