We have been mandated by Association of Construction & Mineworkers Union 'AMCU' to assist with investigations into the unlawful killings that have taken place of certain AMCU members.

In order to advance the investigation, and on behalf of our client, we are offering a reward of up to R100,000 for information that will lead to the arrest and conviction of any person or persons involved in the unlawful killings.

Anyone having information that may assist with the investigation, are invited to call the following tip-off number:

**0800 118 118**

You do **NOT** have to provide your name, but are invited to do so, should you wish to be considered for the reward.

**Please help us end these senseless killings!**
