Hi Tallulah,  
Most of my dancers are off site in P.E. p. 1 & 2 today. Is there any other time this week?

Possibly,  
I need to see who turns up. If not would it be possible to do it tomorrow during girls lunch?

Hi Miss,

That's great -- is there any chance the girls could come over to G26, because that's where I will be with the recording equipment? I only need one or two students.

Thanks,

Tallulah

Hi Tallulah,  
If you come over during girls lunch today I should have some students with me that you can film. Apologies for the late reply – I don't work on Fridays.

Best wishes

Ms Charter
