

This image shows a blank sheet of graph paper with a grid of squares. The grid is composed of 20 columns and 30 rows. Two vertical lines are drawn on the page, one on the left side and one on the right side, defining a central area for writing. The grid is made of light gray lines on a white background. The two vertical lines are also made of light gray lines and are spaced symmetrically from the center of the page.

This image shows a blank sheet of graph paper. The grid consists of 30 columns and 20 rows of small squares. Two vertical lines are drawn, one on each side, creating two narrow margins. Each of these margins is 2 squares wide, and the central area between them is 26 squares wide. The lines are thin and gray, and the grid lines are also thin and gray, creating a clean, uncluttered workspace for writing or drawing.
