

Make More Possible.

Consolidate your card and ACH vendors into one comprehensive solution!
You'll save time and money and make audits a breeze.

At ACH.COM we understand that the relationship between Merchant depositors and its bank is unique. It demands a high level of trust, dedication to security and an unwavering commitment to regulatory compliance. Rest easy, what sets us apart also sets you up for success—and that's our commitment to the business customers you serve.

EASY TO USE, EASY TO SELL

- ACH.COM provides you with a robust web-based interface to sell your merchants with features that easily allow them to originate their ACH items and manage their returns.
- We make it simple for you and your merchants to initiate, monitor or research their activity from any location with real-time reporting.
- With ACH.COM, you can easily keep track of all ACH origination related activity, allowing you to effectively manage and monitor each transaction.
- Have hi-tech clients looking for automation to streamline their process? ACH.COM equips you with several means of automation—from full API integrations to partially automated SFTP options.

FULLY CUSTOMIZABLE & COMPLETELY FLEXIBLE

- ACH.COM allows your Merchants multiple options for submitting transactions, including widely ACH file formats.
- ACH.COM allows you to edit files on the fly (no more recalls), saving your Merchants valuable time and costly labor.
- ACH.COM is one of the few processors in the nation entrusted with a Fed Terminal on-site. This gives you earlier responses for return information and exception handling with the latest possible cut-off times.

WE'VE GOT YOUR BACK

- With ACH.COM you have a team of AAP's (Accredited ACH Professionals) at your fingertips to assist you with implementation, training and on-going questions
- Our ACH.COM professionals are here to help you manage new industry opportunities like Same-Day ACH and keep up with the ever-changing NACHA rules and regulations
- We support all models, from handling full ACH outsourcing to minimal involvement serving as your ACH support department.

PEACE OF MIND

- ACH ensures the security that allows your Merchants to manage their originations with confidence, making it easy to battle against fraud every time.

What are you waiting for?
It's time to **Make More Possible!**
