

If you've been struggling to find a decent online casino licensed by the UKGC, here are the best five casinos based on online reviews.

Some of these websites offer both sports betting and interactive casino games. But a few specialize in slots, bingo, blackjack and other casino games only.

Rizk

Rizk launched in 2016 and acquired licenses from both the UKGC and Malta. It took a while to get famous, but it's presently one of the most trending gaming sites online. For starters, it gives you a superhero welcome when you create an account and make your first deposit.

More precisely, the casino has a man dressed in a superhero costume as its mascot, and he will award you up to £100 as a gift. You also get 50 free spins as an extra reward. You can use the bonuses to play plenty of slots and table games.

Besides bonuses, Rizk is top-rated for providing round the clock customer support, quick payouts and a mobile-friendly site. The casino completes all payments to e-wallets within one day while cashouts via bank transfer will get to your account within three days.

BGO Casino

BGO Casino not only gives you ten no deposit free spins, but it also lets you keep your wins with no wager requirements. What better gift can you ask for? Sure, the spins are worth 10p. But you win real money you could use as stakes to play your favourite games.

This Fruity slots no deposit guide compare some of the best no deposit bonus casinos in the UK. And while some of the casinos give out more spins, only BGO lets you keep your wins without fulfilling wagering requirements.

Of course, bonuses aren't the only things that matter in a casino. An intuitive website that runs games smoothly is essential. Excellent customer support and quick payouts also mean more than free spins. Fortunately, BGO casino provides all these services reliably.

Mansion Casino

You've probably seen the Mansion Bet logo on Crystal Palace and AFC Bournemouth Jerseys in the past five years. Mansion also runs an online casino with software from leading providers like Microgaming, Playtech, Betsoft and Blueprint Gaming.

The casino runs smoothly on both desktop and mobile devices. What's more, it looks stylish with top-notch graphics and neatly-organized menu items. You can choose slots or live dealers, craps and arcade games effortlessly.

And if you want to, you can play most of the games with the help of bonuses. Mansion bet will award you up to £500 if you spend a similar amount. But you only need to spend £20 to earn a reward. You can use the cash to play most games on the website and keep wins up to £500.

Casino.com

After setting base in Gibraltar in 2008, Casino.com has grown into one of the UK's most popular online casinos. It provides 500+ games from Microgaming, Netent, Playtech and Quickspin. It doesn't feature the fanciest website out there, but it's attractive and creatively done.

You can play the casino's games on either your desktop or mobile device with no technical issues. More importantly, you can deposit and cash out your wins without being frustrated by the casino. In fact, the platform's reliable customer support and consistent payouts have given it a solid reputation on online forums.

The casino doesn't give out thousands of pounds through bonuses. But it will match your first deposit 100% up to £400. It also gives you 20 no deposit spins plus 180 deposit free spins. Casino.com allows you to keep up to £400 of your bonus wins although [Click here!](#) you must wager the money 40 times.

888 Casino

888 Casino is one of the biggest online gambling brands in the world. From sports betting to poker, bingo to slots; the company has games for all kinds of players. Being an established platform (launched in 1997), 888 Casino provides a vast collection of games.

It features software from Playtech, IGT, Netent, NextGen, Blueprint and Ash Gaming. In the past, 888 Casino provided a lot more games. But for some reason, it's been reducing its game library from independent providers. Instead, the casino now has a reasonably extensive collection of games from its 888 gaming department.

Despite that, you'll find hundreds of slots and table games on 888 Casino. You can also play some of the games in the live section. The casino also offers exclusive live dealer bonuses like an \$8 gift every time you correctly predict the roulette ball to land on the number eight.

If you prefer to play slot machines; claim the casino's first deposit bonus worth up to £1500. You also get 30 no deposit free spins plus a slew of more rewards when you become a loyal customer.

Spinit

Spinit is one of several online casinos operated by Genesis Global Limited Casinos. Its sister casinos include Casino Joy, Genesis, Sloty and Casino Gods. Most of these websites attract incredible reviews online, including Spinit.

For starters, Spinit features a colourful website with lots of creatively designed graphics. It displays games [You can find out more](#) in top quality and loads smoothly on both desktop and mobile devices. That means you can access its services whether you use an Android or iOS device.

While at it, you can claim up to £1000 [Continue reading](#) in welcome bonuses plus 200 free spins. All you have to do is to deposit at least £20. And during your first four deposits, Spinit will match your money 25% to 100%. You can use the bonuses on plenty of games from software providers like Play'n GO, Microgaming, Nentet and

Quickspin.

When it comes to payments, Spinit allows you to withdraw £5,500 per week and a maximum of £22,000 per month. The casino processes payments within three to four days with most banking options.

To Conclude

With so many online casinos in the UK, it can be overwhelming to choose the right one. The gambling sites outlined above provide hundreds of casino games on both desktop and mobile devices. They support popular payment methods and rank highly based on user experiences.
