# Standard Bank

Standard Bank is proud to be associated, once again, with the Grey High School Rugby Festival – this being our 9th year of the sponsorship.

As a bank heavily invested in education in South Africa, we recognise the critical role sport plays in a well-rounded education and a fully developed character. Moreover, as a bank calling Africa its home and single-mindedly committed to the growth of our continent, we recognise the role of sport in uniting communities.

Just as operating effectively as a team defines success in sport, our business at Standard Bank is also about relationships. Building the relationships with clients, communities, and even whole countries (21 of them in Africa, in fact) is what defines Standard Bank as a business.

Today, we see ourselves as more than a bank. Instead, we see ourselves as an ecosystem business. By leveraging our value chains, our relationship, our clients, our people, our presence across Africa and our skills, we work with each and every client and community we touch to link them to opportunity and growth – so that we can all bring our best and win together!

It is this spirit of partnership, of teamwork and of cooperation towards a clear outcome – to win – that defines our relationship with Grey High and our ongoing sponsorship of the festival talks to the heart of our people and purpose.

Good luck. If you play fair and hard, and work together as a team, you'll all have won – for yourselves, your community, and your country. These are the values that Grey High represents. They are also the values that Standard Bank lives out every day.

Thank you.

# MESSAGE FROM THE RECTOR

I would like to take this opportunity to extend a sincere welcome to the participants, coaches, supporters and officials of the 2023 Standard Bank Grey High School Rugby Festival. We are extremely privileged to be hosting a festival of this calibre at Grey High School.

We extend our gratitude to the sponsors and organizers of this esteemed event. Many hours of planning and organizing are required to ensure the success of this Festival. A sincere thank you to all concerned for their commitment to ensuring the smooth running of the Festival.

Over the next two days, 68 teams from some of the country's top performing schools will do battle on our fields. We encourage all teams to play hard but always play within the spirit of the festival. Festivals of this nature are critical to the development and enhancement of the sport and serve as an extra platform to grow, nurture and develop talent.

Special thanks to the coaches and management for their commitment, dedication and for sacrificing time away from their families. To the parents who have travelled to support your boys, it is greatly appreciated.

Many thanks to the officials for their valued expertise, time and service to ensuring that our event is both enjoyable and played in the right spirit.

On behalf of the Grey Family we want to wish all the teams the very best for what promises to be an exciting two days of Rugby and, to all who have travelled, we wish you a safe journey home.

Why choose The IIE's Varsity College?  
Because we see students as individuals and our approach to education reflects that.

Everyone knows that no two people are the same, but we understand that means that no two people learn the same. We shape education around the individual and give them the knowledge, skills and support to create and thrive in their own future.
