Release of Results for 2022 Cambridge ESOL Examinations

SPACE OF WISDOM OUTSTANDING SUCCESS IN CAMBRIDGE ESOL EXAMINATIONS

Many congratulations to all our students for completing the Cambridge Courses and for achieving a 95% pass rate in the latest round of Cambridge English Language Assessment Exams. The results have been published and many of the students gained DISTINCTION and were awarded MERIT. Thank you Space of Wisdom students for the hard work you have put into the preparation for the Cambridge exams. Thank you for your perseverance and adaptability during these difficult times. The most heartfelt “Thank you” to the students’ families for their support, our administrators, and teachers for being part of the Cambridge Assessment English, and for supporting your students in providing their skills to the world. Without you, we could not do what we do.

For us, learning English is more than just exams and grades. It is about having the confidence to communicate and access a lifetime of enriching experiences and opportunities. The work you do supports learners to achieve this.

As teachers, you help learners to reach their true potential and support them in becoming global citizens. Language is at the heart of this, as it allows us to communicate with one another. With your help, your students have achieved a new certificate. The certificate and the skills they have learned, set them in motion on their language-learning journey.

We recognise the time you put in and want to thank you for your hard work in preparing your students to reach their full potential in their examinations and beyond.

Below, is the list of students who passed with MERIT and DISTINCTION :
