The original stereotypical views of Greenlanders/Eskimos in Denmark are based on or known from KR's work

The modern negative stereotypes are from the 1970's and on...

Among Greenlanders in Denmark

Interviews and dialogue with Greenlanders living in Denmark (ages 20 to 80+)

- Chance to talk about experiences in everyday life
- Facing the stereotypes every day
- Micro-racism, prejudices, misunderstandings, systemic racism and preconceived notions
- Also good encounters and feeling of togetherness and love

Important to inform and to spread knowledge

Farum, Aarhus,
Copenhagen, Odense –
and Aalborg next.
