

Ok, here it goes... I'm really getting annoyed
that this situation is going the way it is.
At first, I kinda wanted to make this easy, for
me + for you. You know, people break up ALL
THE TIME! Your life is NOT going to end. You'll
move on and I'll move on. But, apparently, you
don't respect me enough to accept my decision,
I really couldn't give a damn about whatever
you wanna say. With the way things have
been since 7:45 a.m. this morning, now I'm
more certain that I'm making the right
choice. The more guess you make, the more
I'm determined to do what I gotta do. I
really don't think I can be in a relationship
like we had. Not between us, but mostly
about the stuff around us. I seriously DID
expect you to accept, although not understand.
I'll be busy today, tomorrow, and probably
till Thursday. I got other things to do, better
than give you any hope that we'll get back
together, I really don't see that happening, except
now. I NEVER wanted to end this like this, so
hostile + cold. But I really don't know what
to do. Hate me up. You will. But you should
remember that I could never hate you.

EVE

I'm going to tell

Her's the thing.

... program & stuff, what's up?

You should ask her to make a list of all her symptoms, and compare it w/ the list on the overhead.

Then we can ask her "Are you a eastender?"

~~She probably won't tell us anything~~

Maybe she was pregnant b/c she need something to sit while we went to the clinic and

Her clumsy self probably tripped and fell on the way to the clinic and ~~then~~ caused an abortion.

she would never think this project is working.

whenever you know a guy, you probably think your pregnant, this scheduled to be programs and she's still in denial. Not that bad, for me for her hell yeah.
