

**The only shirt  
with a tugging knob**

Mobin Sanders for TC Topps

# TC Tuggers Shirt

Thanks for your purchase of a genuine  
TC Topps *TC Tuggers* Shirt!

The only shirt that's got a little knob on  
the front so you can just pull it out when  
it gets trapped on your belly.

Sick and tired of wrecking all of your regular shirts  
from tugging wear and tear? *TC Tuggers* makes sure  
you don't wreck your shirt or hurt your hand.

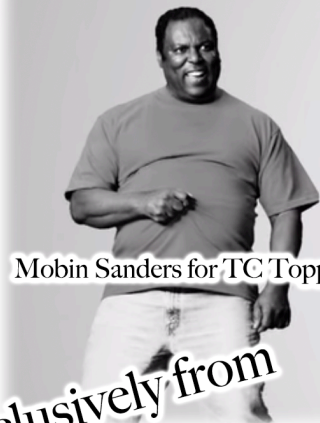

When you go through the day, your shirt gets kind of  
bunched up, and subconscious pulling can wreck them.  
But *TC Tuggers* has that knob so you can just do it easily.

But they're not a joke. Don't make jokes about  
*TC Tuggers*. Don't wear them as a joke, give them as a  
joke gift, wear them ironically, or do pub crawls in them  
like the Snuggie. They're not like the Snuggie.
