

FOR BELARUS CITIZENS - INDIAN ELECTRONIC VISA Fast and Urgent Indian Government Visa - Electronic Visa Indian Application Online - Хуткая і паскораная онлайн-заяўка на атрыманне афіцыйнай індыйскай электроннай візы.

As of my last knowledge update in January 2022, the visa application processes and requirements can change, so it's important to check the latest information from official sources. If you are a Belarus citizen and you want to apply for an Indian visa online, here are the general steps you might follow:

Visit the Official Website: Go to the official website of the [Indian Visa Online Application](#) System. The website is usually managed by the Indian government.

Create an Account: You may need to create an account on the online portal. Provide accurate and up-to-date information during the account creation process.

Fill Out the Application Form: Complete the online visa application form with accurate and up-to-date information. The form usually includes details about your travel plans, personal information, passport details, etc.

Upload Documents: Scan and upload the required documents as part of your visa application. Common documents include a scanned copy of your passport, passport-sized photos, travel itinerary, proof of accommodation, flight reservation, and any other documents specified by the Indian embassy.

Pay the Visa Fee: Pay the visa application fee through the specified payment methods. The fee structure may vary based on the type and duration of the visa.

Submit Application: Once you have completed the online application and uploaded all required documents, submit your application through the online portal.

Print the Application Receipt: After submitting the application, you may be provided with an application receipt. It's advisable to print this receipt for your records.

Track Application Status: Some [Indian online visa](#) systems allow applicants to track the status of their visa application. Use the provided tracking tools to monitor the progress of your application.

Visit the Visa Application Center or Embassy (if required): Depending on the specific requirements, you may need to visit the nearest Visa Application Center or the Indian Embassy in Belarus for biometric data submission or an interview.

Collect Visa (if approved): If your visa application is approved, follow the instructions to collect your visa from the Visa Application Center or the Indian Embassy. It's essential to check the most recent and specific requirements on the official website of the Indian Visa Online Application System or contact the Indian Embassy in Belarus for the latest information. Visa requirements and processes may change, and it's crucial to ensure that you have the most up-to-date information before submitting your application.
