## BIOGRAPHY

Real Name: Amora  
 Other Aliases:  
 Gender: Female (She/Her)      Height: 6'3"  
 Weight: 450 lbs      Eyes: Green  
 Skin: White      Hair: Blonde  
 Other Features:  
 Occupation(s): Sorceress  
 Team(s):  
 Base(s):

## HISTORY

Amora was born somewhere in Asgard, her parentage unknown. While still in adolescence, she ran away to the land of the Norns and apprenticed herself to Karnilla, one of the most powerful sorceresses in all the Asgardian dimension. There she studied all the basic arts of Asgardian magic until Karnilla expelled her for being too undisciplined. She picked up further mystical skills from seducing other Asgardian mages and wizards.

## PERSONALITY

## NOTES

## BACKSTORY

Origin: God  
 Profession: Outsider
