

# Cyber Safety Parent Education Session

Albany Primary School P&C are pleased to offer our parent community a crucial and engaging cyber safety education session with ySafe, one of Australia's leading providers of cyber safety education.

This FREE session will cover key information about managing your child's technology use, social media and gaming, screen time recommendations and step-by-step instructions on how to set up a cyber safe home for kids of all ages.

**Tuesday 18th February 2020  
6:30- 7:30pm @ APS Staffroom**
