

## **Waking Up My Day – Good Morning Washington**

**Good Morning Washington  
Can you feel the morning  
Yeah the sun's coming up  
And I don't know why but there's a  
Smile on my face  
Let's get it started  
Turn it up turn it on  
Keep the morning moving right along...**

**Yeah I'm waking up my day  
You make it feel alright  
Good Morning Washington  
Don't you know I'm ready for  
Whatever comes my way  
I'm waking up my day  
Yeah I'm waking up my day  
I gotta brand new plan  
Good Morning Washington  
Hey so tell me what's the word  
With your smiling face  
I'm waking up my day**

**Yeah the world is turning  
Going to go out and get  
What's mine for the gettin'  
Cause life's on the way  
Go ahead and bring it  
Turn it on turn it up  
Yeah I think I'll have another cup...**

**Yeah I'm waking up my day  
You make it feel alright  
Good Morning Washington  
Don't you know I'm ready for  
Whatever comes my way  
I'm waking up my day  
Yeah I'm waking up my day  
I gotta brand new plan  
Good Morning Washington  
Hey so tell me what's the word  
With your smiling face  
I'm waking up my day**
