# SUSTAINABLE DEVELOPMENT GOALS

On September 25th 2015, countries adopted a set of goals to **end poverty, protect the planet, and ensure prosperity for all** as part of a [new sustainable development agenda](#). Each goal has specific targets to be achieved over the next 15 years.

For the goals to be reached, everyone needs to do their part: governments, the private sector, civil society and people like you.

Do you want to get involved? You can start by telling everyone about them. We've also put together [a list of actions](#) that you can take in your everyday life to contribute to a sustainable future.
