Description: eXp Realty is one of the fastest-growing residential and commercial real estate companies and has a global community designed and powered by agents.

eXp Realty has transformed the real estate experience through innovation and technology, offering some of the most powerful online marketing tools and virtual technology in order to create a world-leading real estate brokerage model. eXp's innovative business model offers an unparalleled compensation package through a generous commission structure, a unique revenue program and the potential to earn eXp World Holdings stock awards (Nasdaq: EXPI). Agents can earn stock for various

achievements such as closing their first transaction as well as the opportunity to earn back their yearly commission cap in stock.
