 **Nanostox**

All stock postings (buys) on Reddit by Nanostox from February 2021 till December 2021.

The list shows the highest reached price of a stock, after we posted it on reddit. Some went down, before they went up. A lot of these stocks are now back to our buyingzone or even lower. So in the best case scenario, investing in these types of stocks, can be in the long- and/or short-term, very profitable. A few of them were bought, before reddit launch.
