

DECLARATION OF GERALDINE A. WYLE

1 I, Geraldine A. Wyle, declare:

2
3 1. I am an attorney licensed to practice law in the State of California and am a
4 partner at the law firm of Luce, Forward, Hamilton & Scripps LLP ("Luce Forward"), counsel of
5 record for James P. Spears ("Mr. Spears"), the father of Britney Jean Spears ("Britney") and
6 temporary conservator of the person and temporary co-conservator of the estate of Britney Jean
7 Spears. Except as otherwise stated, the statements contained herein are based on my personal
8 knowledge and experience. If called as a witness, I could and would testify competently to those
9 facts.

10 2. At approximately 9 a.m. on Saturday, February 2, 2008, medical personnel at
11 UCLA Medical Center informed me that a young lawyer, later identified as Tara Scott of Trope
12 & Trope, had already been at the hospital for some time waiting to see Britney. Medical
13 personnel told me that Britney was initially unresponsive to Ms. King's request and finally, after
14 Ms. Scott visited for a very short while, Britney stated that she was too tired to talk.

15 3. At approximately 1:12 p.m. on Saturday, February 2, 2008, my colleague Vivian
16 Thoreen, an associate at Luce Forward also representing Mr. Spcars, and I received an e-mail
17 communication from Adam Streisand, a partner at Loeb & Loeb LLP. In response, I sent Mr.
18 Streisand an e-mail inviting him to contact my colleague Jeryll Cohen, a special counsel at Luce
19 Forward also representing Mr. Spears, who would arrange a conference call over the weekend at
20 which we could discuss this matter. Because I was traveling on vacation and was about to enter
21 and remain in an area where I would have no cell phone or e-mail access, I forwarded that e-mail
22 to Ms. Cohen. As I have no e-mail access, I do not know whether Mr. Streisand responded
23 directly to me instead of to Ms. Cohen as I had requested.

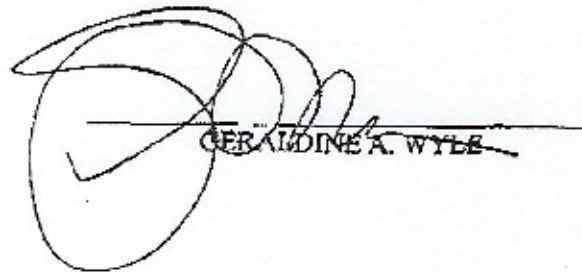

24 4. In the early afternoon of Saturday, February 2, 2008, I contacted Dr. James Long,
25 a psychiatrist who had treated Britney at some point in 2007 and has had some reporting function
26 to the family law court, the details of which I am unaware. I informed Dr. Long of the orders
27 appointing temporary conservators and letters of temporary conservatorship for both Britney's
28 estate and person and told him that, while Dr. Long was under no order to provide a capacity
declaration, Mr. Spcars had been informed by the Court that he needed to provide a capacity

1 declaration so that the Court could make necessary determinations relating to the
2 conservatorships. I explained the content and format of the capacity declaration to Dr. Long, and
3 Dr. Long then informed me that he needed to talk to his lawyer regarding his ability to provide a
4 capacity declaration. I informed Dr. Long that I would try to reach him over the weekend. I left
5 a message on Dr. Long's office voice mail on the evening of Saturday, February 2, 2008 and
6 then paged him late in the morning on Sunday, February 3, 2008. Dr. Long promptly returned the
7 page and told me that he had been instructed by his attorney not to discuss the matter with me. I
8 requested that Dr. Long ask his attorney to call me and provided my telephone number at the
9 hotel at which I am staying. I received a telephone message from the hotel receptionist stating
10 that Dr. Long had called the main number and asked the receptionist to give me the message that
11 neither Dr. Long nor his counsel may speak with me.

12 Executed on February 4, 2008 at Sedona, Arizona.

13 I declare under penalty of perjury of the laws of the State of California that the foregoing
14 is true and correct.
