

## **Day 10 Discussion Script: How can we make our book good?**

---

**Leader:** Now that you've each chosen a focus for your chapter, it's time to think about the question: What will these essays have to do, in order to be *good*?

What will they need to do in order to engage our readers?

What will they need to do in order to satisfy our readers?

*Some possible response templates:*

One thing these essays will need to do to engage our readers is \_\_\_\_\_.

One thing these essays will need to do to satisfy our readers is \_\_\_\_\_.

One thing these essays *could* do that would make them especially compelling would be \_\_\_\_\_.
