

**Hon'ble Vice Chancellor
& Chairman, Executive Council
Banaras Hindu University**

16 October, 2014

Sub: Implementation of pay grade salary and adjustment of staff as per commitment of University made to DST, Govt. of India in reference to establishment of National facility (NFTHM) Centre at BHU.

Hon'ble Sir,

Please accept our wishes.

Further, being aggrieved with the inhumane and irresponsible attitude of some officials our university; we are again writing you to take earliest action in order to provide all benefits of regular employees including grade salary to staff of DST-NFTHM Centre. As per commitment/assurance of Vice Chancellor, BHU towards government of India; this is sole responsibility of BHU. **DST letter 16.1.2007**

1. **It is urgent to mention that if Banaras Hindu University took proper action on DST letter dated 09.09.2010 regarding payment of graded salary to staff; we would be enjoying benefit of grade salary in DST tenure (2010-2013). Due to this fault of BHU, we 20 staff of this centre are missing each and every facilities, our pride and on verge of end of our life.**
2. **At present, we are still not availing above essential benefits due to that fault of university; otherwise, there is no reason to put us on fix salary after taking over of this centre in XII plan w.e.f. 01.04.2013.**
3. **It is also appears that University is insincerely implementing the commitment of Vice chancellor, BHU regarding our regularization at university after end of DST support. There was no bar of UGC in the assurance of VC to DST at time of taking this centre at BHU.**
4. **But university officials are destroying our life by involving notorious drama of Proposal-proposal between BHU and UGC. In such action, it seems that some people of University are interested to close this centre by compelling/harassing staff to run away from this centre contrary to**

words of DST and VC, BHU which was for making this centre part of maintenance grant of BHU.

5. Sir, we are writing to you in hope of getting justice from your chair. There may be some words, when we crossed our boundary, but it is our close hand request that please receive only our emotion and our problems which we are facing for the last six years.

Prayer:

1. Kindly do needful to pay us our grade salary and all other facilities as par to regular employee w.e.f. 09.09.2010.
2. Kindly do needful to pay us our grade salary and all other facilities as par to regular employee w.e.f. 01.04.2013 i.e. the date by which the centre is Part of XII plan general development grant.

Sir, you have enormous power and mercy to fill up our shortcoming. Kindly, provide your blessings to us...

Your Sincerely,

(all the staff of DST-NFTHM centre, IMS, BHU)

Copy to

1. Honorable President, India and Visitor of Our University.
2. Honorable Prime Minister, Govt. of India
3. Director, IMS
4. Registrar, BHU

Dear Dr. Dubey,

I am happy to see your proposal that you are planning to make your vast experience of association with tribal knowledge for further development, scientific validation and product development at global level through Rajiv Gandhi South Campus, Barkaccha, BHU by establishing a National facility for Identification, Chemical Characterization, Standardization and Quality Control of Medical Plants of Central India Tribal Area. In order to consider this request under Drugs & Pharmaceuticals Research Programme of this Department an undertaking to the effect that BHU will be taking the full responsibilities of further maintenance and upkeep of the facility for the objectives it has been established needs to be forwarded alongwith the final copies.

With kind regards,

Yours sincerely,

(G.J. Samathanam)

OFFICE MEMORANDUM

Subject: **Forwarding of the request on provision of graded salary of the National facility on "Identification, Chemical Characterization, Standardization and quality control of Medicinal Plants found in tribal area in Central India" – Reg.**

This Department has received a request from the Principal Investigator (Dr. R.G. Singh, Professor of Nephrology of IMS, BIU, Varanasi) on the above project. The request has been forwarded by Head, Department of Nephrology, Dean Faculty of Medicine and Director, Institute of Medical Sciences of Banaras Hindu University. Since the letter indicates that it has been forwarded **through proper channel**, it is necessary for such requests to be routed through the office of the Registrar, BHU and forwarded to this Department for examining the request for appropriate action.

The papers received from the PI are sent herewith for needful action at your end.
