First, please read the table of content and make sure you understand the importance of all the prophetic revelations and dreams contain in this document. Don't allow anyone to choose for you. It is crucial that every person who read this study read and understand all the 48 pages and pray earnestly for discernment. God will never allow the prayerful heart to be deceive! If you have no knowledge of the biblical feasts, I invite you to go to page 47 to have a quick overview of the matter. Understanding the feasts of the Lord is very important for this study. **You may at first have an overview of the study before going into all the details.** Yes, I realize that not all people will be willing to spend hours or days reading each word of this document, but the truth is like a treasure hidden in the soil. My friend, it has taken me one month to prepare this study for you. :) I have also added a picture on page 50 where i have summarize the foundation of our message in an easy to read study of only 1 page.

A word to the no one knows the day and hour camp

This study isn't about the day and the hour of Christ second coming. Also, prophecy and common sense teaches that the day and the hour will be revealed to both the angels and the saints sometimes before the end. Jesus said no one knows (present tense) not no one will ever know. This was the pioneers understanding of this phrase. The Church is now taking the position of the wicked at the time of Miller. A category of people who mocked him saying again and over again no one knows the day and the hour" Unfortunately our world has gotten to a point where people no longer understand the difference between **bible prophecy and time setting**. Well, we have provided much proof for this in this study. We also address the misunderstanding of the Seventh day Adventist Church concerning the 7th trumpet of the book of Revelation and the time about which the angel says there should be time no longer. This is not a lack of knowledge that has led me to write this study but an overwhelming amount of information. Here in this study of 48 pages you will find undeniable proofs that the end of all things is months away. You will then have to take a stance for or against this message. Neutrality will undoubtedly condemn you. In case you accept this divinely given message you will have to spread this last warning to everyone possible. God want everyone to have a copy of this message in their hands!

1: Words of encouragement and other explanations

On the 10th of April 2023 the DCMA through the IMF announced their official launch of an international central bank digital currency (CBDC) Also, the Sunday law will be discussed in the US supreme court on the 18th of April 2023. About two months later the US supreme court will give its final verdict on the matter. How fast will it be before every country follow the footsteps of the US? About one year ago the president Joe Biden proudly said that the United States will lead the new world order. We do not have to guess as to the shortness of time. The COVID-19 pandemic has demonstrated how fast the world can put in place a universal approach to fight a particular problem. We have all seen how quickly states can act as one to fight a collective threat. The virus was reported on dec 31 of 2019 and less than three months from then the entire world was terrified and was under lockdown, the draconian laws were passed and here we are today in an even more chaotic world.

The pandemic has demonstrated that the coming Sunday law poised to be enforce in the united state of America in June 2023 will go worldwide a few days or weeks only after its enforcement in the US. Three great disasters are coming on the world, an unprecedented economic crash, natural disasters of unmatched proportion and World War III. Would they not act? The pope is said to be the man of peace, remember it! Also, in July this year the United States will launch its Digital Dollar. I'm making mention of it though I don't believe they truly need a digital money to control us. COVID-19 is the proof! Are you living the reality? What would the pioneers do in our place? What would they do if the Sunday law were months away? Hey people we are talking about the mark of the beast not a ride in the kindergarten!

Back in 2020 the time the abomination was set up

There was a worldwide war during the year 2020 and beyond. This war was not so much against the virus but about God and his law. The fight against the virus has set the whole world against God. Our liberty was suppressed! The liberty that we had always enjoyed was suddenly suppressed. You couldn't even enjoy the sun light, a walk in nature or at the seaside. Worse than that, in some countries people wasn't even allowed to get outside their homes. And in some places, you couldn't even breathe correctly without being assault by some guards or by the police.

I could have been jailed for crossing my courtyard! COVID was not minor as some has said! All these laws were passed for the exaltation of the sun god named Satan in the bible. Take the time to refresh your memory, remember each law and restriction that were put in place whether in your own country or in other countries. Become a time traveler and travel back to 2020 and think seriously about the dystopian world we were living in 2020-2021.

*2020 was the year of the great reset and it was not a coincidence that the Great reset took place the same year the COVID-19 virus was declared a pandemic. During that very year the Vatican announced that *laudato si* (the pope plan) would from 2020 to 2027 reshape the entire world.*

The word pandemic means "on the nations" and divoc (COVID upside down) mean possession (by a spirit) In other words the world has ever since been possessed by unclean spirit in a special sense. The whole world was deceived by their PHARMAKEIA word that has as a meaning witchcraft and pharmaceutical.

The world has been deceived by god science. This has become possible because modern science is own by the Catholic Church! And even our educational system is own by them. Understand the power of the harlot Babylon the great and stop taking lightly what is being done right before our very eyes. Remember he clothed himself with garments of light. We are told that he is crafty. Keep in mind that we are living in the era of deception. All what has been done was done to prepare the world for sun worship. It is the antitype of the pagan dance around Jerusalem and once again the Roman was behind this. These Romans are now in the papal Rome phase king of science. They had use part of their greatest weapon, that's all what it is. It is good to note that the Catholic Church teaches the theory of evolution! It is good to know that the number 666 is the number of the beast THE POPE! Vicarius filii dei the official title of the pope of Rome is directly link to the COVID-19 pandemic. In fact, if you apply a number to each letter as per the order in which they are written in the Alphabet (A=1 B=2 C=3 D=4 E=5 F=6 G=7 H=8 I=9 etc) you arrive to a rather incredible result. This certainly cannot be a coincidence!

COVID-19 666 C=3 because it is the third letter, O=15, V=22, I=9 and D=4 then you add all the number 3+15+22+9+4=53, you take the total 53 and separate the two numbers that compose the number 53; 5+3 and you finally add the 1 and the 9 of COVID-19. So, 5+3+1+9=18; also, we can arrive with a total of 18 when 6 is added together thrice thus 6+6+6 =18.

Corona **666**; **C=3 O=15 R=18 O=15 N=14 A=1**, all the letters add up together it makes a total of 66. Furthermore, there are 6 letters in the word 'Corona' when join with the addition presented in bold above became $666=6+6+6=18$.

Sars Cov 2 **666** Still same principle. You have 19 for S because it's the 19th letter of the Alphabet, then you have 1 for letter A, 18 for R, 19 for S once more, 3 for C, 15 for O and 22 for V. Then you add up the number 2 found in the name Sars Cov **2**; $19+1+18+19+3+15+22+2=99$. Moreover, the total added up (9+9) results to 18 therefore we arrive at the same conclusion explained for COVID-19 and Corona above $18=6+6+6$. Coincidence?!

I found it interesting that the Sunday sabbath case will be discussed on the 18th day of the 4th month. 18 divided by 3=6 which equal to 6+6+6 or **666**. The fourth month=attack on the fourth commandment.

666 is the sign of the catholic Church!

The number 666 being narrowly tied to the COVID-19 pandemic shows once again that this pandemic was all about sun worship and nothing else. On top of that, Sunday rest have since 2019 been given even further attention from governments and religious groups. The green sabbath, you remember this being discussed everywhere during this highly prophetic year? You remember when Alexandria Ocasio-Cortez a female politician reintroduced The Green New Deal framework for "tackling our climate crisis and building a better world." To the US parliament, using "Christian socialism"? Question: what is Christian socialism? Answer: Catholic doctrine which include capital punishment for heretic. Check the "common good Thomas Aquinas."

You remember the slogan bring America back to God or bring back the blue law? Meaning Sunday law. You remember all the climate rallies that has taken place in 2019? It was all about Sunday worship! The backbones of everything that is being set in place by the elite is the pope's control plan Laudato si! Still, whenever I share the truth with others all I receive is mockery. To those that think themselves wise and yet cannot see the reality I say beware that you be caught unprepared when the master of the house come.

Do not say I am rich and increased in goods that you be not found naked on that day. How blind can people be! The pagan sun worshipers THE ELITE are dancing right before our very eyes, and most of us have failed

to see it! The MESSIAH was in the midst of Israel and Israel crucified him! We are not better; we are even worse than them.

Take heed that no man deceives you! We've been warned that they would say bring back America to God. We've been warned that from the time the Sunday law issue will everywhere be discussed in the world to the end, there should be a very short time and that this will be the sign that the abomination has been set. The Sunday law to last for three and a half years? A theory nowhere found in the bible!

The Sunday law make its way through darkness and then last for a few weeks. This is biblical! We've been warned that the last movement will be rapid one. We've been warned that the vast majority in the Church would oppose the imminent coming of our Lord Jesus Christ. We've been warned that not one in twenty are converted in this Church. This statement was made over a hundred years ago. The reality is that things have exceedingly worsened! We are now certainly closer to one in a hundred person rather than one in twenty. Two thousand years ago John the Baptist was the only person declaring the near coming of the Lord. What does it teach us? To not put our trust in the voice of the majority.

Let us get back to the current study! Well, what has happened in the ecumenical world since the last three years? God has permitted that the pope proceeded in his plan to sign unprecedented ecumenical charters.

Two major ecumenical charters were signed in 2020. The one between pope Francis and the grand imam al azar signed in December 2020 and the even more significant for us, the seventh day Adventist historic Ecumenical Charter signed in Italie where the antichrist power has its throne.

More recently we have seen the inauguration of the Abrahamic family house in Abu Dhabi and the anti-conversion plan in Kazakhstan in September 2022. We have seen the Inflation Reduction Act of 2022 which is said to be the most massive climate bill ever sign in world history. The Biden administration is exercising all the power of the first beast! Climate change is a hoax that will lead to the mark of the beast! All these when added together with the first ever open sun worship centered COP and the accession of the Vatican to the Paris agreement in 2022 make it easy to understand that we are living in the time of the last three and a half prophetic years.

If we know our bible and history well, we would be able to find the elephant in the room. The pandemic remains undoubtedly the main point in all these things.

There must be a clear starting point for each and everyone. Something that even children would understand. COVID-19 is our starting point. Daniel 12:11 talks about the change of the Tamid (routine). This word tamid doesn't mean daily sacrifice. This word Tamid simply mean daily (routine) The daily of spiritual Israel interrupted, the daily of the whole world interrupted by the papal agenda. The old normal overthrown for the profit of the papal new normal. All these agitations for the sole purpose of destroying people's ability to reason, hence becoming like animal ready to be slaughtered. The target was the gospel! At the end of this study if you are not convinced by the spirit of Christ, I don't know what would convince you of the seriousness of the situation and its prophetic implication. I hope at least that you weight the ever-growing apostasy of the Church. I hope that you realize that God's children should never find themselves where apostasy has reached such level as in the Seventh day Adventist Church! EPHESIANS 4 is a hundred percent clear! No compromise possible! I hope that you are aware that many prominent church leaders are now getting involve in pagan ceremony on behalf of the Church itself. I hope that you are aware that gay pastor is now being authorized to serve in the church. I hope that you understand that the trinity god is a demonic god. I hope that you understand that Christ is the Father's dear Son John 3:16 and that "Whosoever shall confess that Jesus is the Son of God, God dwelleth in him, and he in God" 1 John 4:15 "Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God:

And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world." 1 John 4:2-3 "You are the Christ, the Son of the living God." Matthew 16:16

The apostasy of this Church whether inside or outside the General conference has now reached apocalyptic levels! High time to wake up!

The destruction of Jerusalem should be given more attention in these last days. We have been taught that history will repeat itself. The destruction of the city occurred exactly three and a half years after the setting up of the abomination Matthew 24:15!

We read in the great controversy that the Romans encircled Judea in 66AD and that three and a half years later in the year 70AD the city was left in ruin.

This number 3 ½ is our primary foundation and we believe that the setting up of the abomination was in these last days set in the year 2020.

The destruction of Jerusalem being a shadow of the end time events we firmly believe that God has revealed the things that are yet to come in history. The numbers 3 and 3 ½ are everywhere in the bible, especially in the two books that has always been given special attention in seventh day Adventism. This number is mentioned twice in the book of Daniel and 4 times in the book of Revelation. The ministry of Jesus last for three and a half years too.

The events taking place in our world today shows us that the great war between the king of the north and the king of the south prophesied of in Daniel 11 is about to happen in the coming weeks. The west meaning America and Europe is about to wage war with Asia, the Eurasia and much of Africa.

On one side you have the bricks nations and on the other side, the west and pro-west nations. The situation has gotten to a point of uttermost destruction and the people of God are waiting for more years. How ironic it is that the people that were supposed to warn the world share the spirit of the world PEACE AND SAFETY! As if it was not enough the world is now about to enter an unprecedented economic chaos. Indeed, according to all the data the world economy is about to be turn upside down in the coming weeks. Even worst, the meteorologists has announced that 2023 will be marked with even greater natural disasters due to what they called the "El Nino" phenomena.

<https://www.theguardian.com/environment/2023/jan/16/return-of-el-nino-will-cause-off-the-chart-temperature-rise-climate-crisis>

Whether the climate crisis is true or not is not the question. We know that Satan is manipulating in multiple way the climate. What about the artificial intelligence (AI)? Demons are massively communicating with people through AI. This is happening all over the world; people are communicating with their "dead relatives" through this so-called technology and Sun worship has been revived by the elite. Speaking of the sun worship logo at the COP27 they said " The sun is the source of life and a sign of hope, and one of the well-established symbols in the

African culture. Sun rays extending over the horizon symbolize the renewal of hope for a better world” The sun worship era spotted! What about Meta’s logo and the world Cup logo? It is all about sun worship!

We are here brothers and sisters! Sadly, Satan the great deceiver has succeeded in hiding the reality to God’s people.

His wish isn’t to facilitate our work. He acts in darkness! The prince of darkness acts in **DARKNESS!**

Remember the words of the elites:

Antonio Guterres: The four horsemen of the apocalypse are here.

Emanuel Macron: The beast of the event is here.

Joe Biden: build back better in 6 minutes 6 weeks 6 months bbb 666!

Remember the word of the UN food chief: It will be hell on earth.

Have you forgotten the first ever demon spirit mascot of the FIFA world cup?

And what about the Commonwealth game! Have you forgotten this one too? They had reproduced the scene of Revelation 13 and 17! A woman riding a demonic bull and the whole world give their power to the beast worshipping the beast.

God gave us signs but most of us have so far failed to recognize them. “And set up over his head his accusation written, This Is Jesus the King of The Jews” Matthew 27:37 God led them to write this and the same way today God is forcing the elite to give us signs.

My beloved brothers and sisters as crazy as it may sound to most of us, the Lord is coming to put an end to sin even this very year. The cup of iniquity has reached unimaginable levels. We are not to sit and wait quietly for further iniquities to abound before taking serious and decisive actions against the prince of this world. Enough is enough! It is now time to act. How would we if we fail to recognize the signs announcing the season? Jesus says of those who fail to recognize the season of his coming, “hypocrites, ye can discern the face of the sky and of the earth; but how is it that ye do not discern this time?” Luke 12:56

How would we if we fail to purify ourselves and reject everything contrary to God? How would we if the pure and unconditional love of Christ is not found in us and the divine character of God written on our hearts? Cry, cry

my dear brothers and sisters cry on every single sin you may still be fighting against and on the sins of your neighbors and strive to be part of the 144000 for the judgement is coming and it is coming quickly.

Our faith shouldn't be found on what governments and religious leaders are planning to do in one two or ten years but on the sure word of God.

Of course, it is a matter of life and death to know their plan so that we may do our mission, but it should never lead us to look in any way after man for our preparation. They may plan to reach their goal in the year 2030 or 2027 or 2025 but as the ruin of Babylon came in one hour so shall the ruin of modern Babylon come in one hour. The builders of the tower of Babel never reached their goal and was plunge in confusion in a matter of seconds. God has given us the sure words of prophecy; it is to be our foundation. Don't have your eyes fix upon the CBDC or 2024-5 climate lockdown plan or upon the LGBT approval of governments. All these are the plan of man, what we are looking after is the plan of our heavenly Father.

Following the counsel of the testimony of Jesus Christ we have judged important to correct some of the dogmas of the Church before entering this tremendous study. You will have "22 pages" of counterarguments that if you want you may at first skip and then come back and read.

2: Crucial details about the study

This study is based on three things, Number one, Daniel 12, number two the belief according to which history repeats itself Ecclesiastes 1:9 and number three NUMBERS. The bible teach that numbers do have their importance in prophecy and that God himself uses them to communicate to us vital information that we don't want to miss out. The 12th chapter of Daniel was for decades believed to have been fulfilled in the middle age. However, a careful analysis would leave any serious bible student to conclude that Daniel 12 was given by Divine authority to the prophet Daniel, not for people living during the middle age but for us, the last generation.

We appeal to your wisdom, to your intelligence and to your sincerity for you are handling between your hand not the words and thoughts of men but the most solemn warning for this time from the One that knows the end from the beginning.

For months, we prayed, cried, pleading with God; asking him whether this message was from him or not and after one year of deep searching, here

we are sharing with you a message that we believe according to God's plan must go worldwide before his second coming.

Other Christians sharing our hope for 2023!

We are not the only seventh day Adventists and Christians holding to this belief in the present time. God is preparing himself a people and his spirit is working day and night convincing his own about this prophecy of Daniel 12. Three seventh day Adventist preachers have shared their study and all three of them have come with the conclusion that Daniel 12 must have begun at the time of the COVID-19 crisis of 2020 or sometimes before. Apart from them a considerable amount of seventh day Adventist and other Christians have spoken out about their belief concerning this prophecy. A superior power is at work. Is it the creator of all things our loving Father or the great deceiver the architect enemy?

3: Counterarguments and other explanations

As it was at the time of Jesus, so it is now. The erroneous teaching of the pharisees has darkened the minds of many and like the serpent, they twist the word of God for their own ruin and the one of those that follow them. Jesus warned us of erroneous teachings that would arise among God's people therefore we are not to follow blindly the interpretation of anyone. Believing in the application of time prophecy for our generation (one day for a day prophecy) in the Seventh day Adventist Church is perceived by many as being a damnable heresy. How can it be when the Master himself commanded us to pay attention to Daniel 12 as we can read in Matthew 24:15. Also, they wrongly use Ellen White quotes to justify their antichrist beliefs making her say what she never said.

Jesus himself didn't link what the prophet Daniel wrote to the Middle Ages but to the last generation.

Who shall I believe, Jesus or the leadership of the Church and the supposed Ellen G White (EGW) quotes? Have we not been warned that books of a new order would be written? Have we not been warned that great changes will take place after the prophet EGW death? Selected Messages Book 1, p. 204; Letter 242, October 1903 and Ms 1, 1915-page 25 par 2-5!

Sister White as did Jesus believe the 12th chapter of Daniel to be a solemn warning for us. She wrote the following **“Let us read and study the twelfth chapter of Daniel. It is a warning that we shall all need to understand before the time of the end.”** 15M 228 (1903). {LDE 15.4} But of course many have come with all kinds of conclusions about this precious revelation saying that it is nothing more than a part history. God have mercy, God have mercy.

No one knows the day of his coming

We surely do not know the day nor the hour, but this is surely not a good reason to throw away all the time prophecy related to this last generation. Also, if Matthew 24:36 (the day and hour) mean what most Seventh Day Adventist think it teaches today it would mean that William Miller and all those that followed the millerite movement was filled with the spirit of *the antichrist* for they clearly did not hold to the position of the majority! For them Matthew 24:36 meant that we can in fact know the day and the hour of his coming if the father who know the timing decide to reveal the secretes in his given WORD. They reasoned that the revealed things are for us. The angels do not know the day until the FATHER reveal it to them, so it is for us. How would they and how would we prepare if he hides this information from us? Amos 3:7 tell us ‘The Lord does nothing without revealing his secretes to his servants the prophets. Are we not prophets? Are we not supposed to have the spirit of Elijah and John the Baptist? I said it and I will say again I AM A PROPHET. You can be a prophet and you should be one if you are truly converted in Christ Jesus. Certainly, God wouldn’t have founded his church on the foundation of disobedience. Back at the time of Miller people repeat this as a mantra NO ONE KNOWS THE DAY NOR THE HOUR. The text doesn’t teach that God will never reveal it to anyone. The text only says that in the present time no one knows the day nor the hour.

The text doesn’t say that no one will ever know the year, the month or the week or the day or the hour which is to be the case until God make known the day and the hour by his divine authority. We are not there yet. The season only has been revealed in his REVEALED WORD. Not for the past generation but for the very last, US!

The prophet Ellen G White wrote.

The voice of God is heard from heaven, declaring the day and hour of Jesus’ coming, and delivering everlasting covenant to His people. Like

peals of loudest thunder His words roll through the earth.17The Great Controversy, 640.

It will be made known for the Lord God will do nothing, but he revealeth his secret unto his servants the prophets. Amos 3:7

God is a God of order who has from the biggening work with numbers and he is still the same. Who do you think don't want you to know the year of the Savior's coming? It is surely not God.

1 Thessalonians 5 teaches that it is for the wicked that the day of the Lord will come as thief. It continues and say 'But ye, brethren, are not in darkness, that that day should overtake you as a thief.' 1 Thessalonians 5:4

To conclude this section, we cannot ignore the fact that the all-knowing One commanded us to pay attention to the abomination that bring desolation which the prophet Daniel has spoken of. Our Master clearly indicate that we the people living in the last days must calculate the revealed numbers given in Daniel 12.

"When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, whoso readeth, let him understand" Matthew 24: 15

Matthew 24, Luke 21, and Mark 13 were all given to those that lived during the time of the destruction of Jerusalem and for us. It has but little to do with people living during the middle age. Therefore, the warning is of great importance for us, and we should not ignore it otherwise we will perish in Jerusalem as did the stubborn Jews.

Nobody would dare to say that the 11th chapter of the book of Revelation speak about the destruction of Jerusalem, would you? Well, now see the link between Revelation 11 and Luke 21:24

"And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled" Luke 21:24

"And there was given me a reed like unto a rod: and the angel stood, saying, Rise, and measure the temple of God, and the altar, and them that worship therein. But the court, which is without the temple leave out, and

measure it not; for it is given unto the Gentiles: and the holy city shall they tread under foot forty and two months” Revelation 11:1-2

Jesus is here linking both verses so that we may know that these 42 months start with the setting up of the abomination of desolation. It shows us that there is indeed a period of 42 months in the end where the people of God here describe as those who worship in the temple are to be judged.

We ask whoever disagree with us to provide historical proof that these 42 months has been fulfilled sometimes in the past. Every sincere Seventh Day Adventist would here conclude that these 42 months are literal! They are not to be confused with the 1260 days or one time, times and half a time of Daniel 7.

Applying the 12th chapter of Daniel to the past is simply not acceptable for various reasons that we will here briefly lay for you.

1: Daniel 11:27-45 and Daniel 12 speak about the time of the END. It is theologically unacceptable to say that the term the time of the end point to 1798 for Jesus clearly said that the time of the end properly speaking last a maximum of one generation. Now, be careful, I'm not saying that the 1260 days of Daniel 7 was not fulfilled from 538 to 1798AD. In 1798 the papacy did lose its power as prophesied, but it was not the end. Though a new era begun with the fall of the papacy it was not yet the end.

“Verily I say unto you, **this generation shall not pass, till all these things be fulfilled.** Heaven and earth shall pass away, but my words shall not pass away.” Matthew 24:34-35 This is a twofold prophecy. “This generation” point to those living in the first century as well as to us! As prophesied by Christ the destruction of Jerusalem spoken of here in Matthew 24 took place within the given time. God’s word is a hundred percent accurate.

How many generations are from 1798 to 2023? I let you count! Is Jesus a liar? Who is lying, Jesus or the people?

The expression “time of the end” can only mean time of the END! Daniel 11 is marked with pauses and the 27th verse all the way to the last verse deal with the very end of this earth history. The only way not to be deceived is to choose Jesus as our helper and comforter. Now, understand that the expression the time of the end is different from what we read in Daniel 7 and 8. Daniel chapter 8 is about the end of the indignation or the end of the casting down of the truth, not the end of the world. It talks about “a time that has something to do with the end” while Daniel 11:40 and Daniel

12 speak about the very end of the world. It is important to know the difference between the two.

Now let's get to our point no2.

2: Daniel 12:12 read as follow " Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days." Daniel 12:12

This is clearly speaking about literal days! Do you know anyone that have lived for 1335 years? How can you be waiting if you are dead? You cannot!

Why can't people in this Church admit that we were wrong? Is it the result of the Laodicean condition?

"thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked" Rev 3:17

I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness does not appear; and anoint thine eyes with eyesalve, that thou mayest see!

The Jews thought themselves to be rich and increased with goods, but they were ALL blind! Are we so different? God and God alone is free from error.

3: The 12th chapter is sealed not the entire book.

Chapter 1,2,3,4,5,6,7,9 and 10 was not sealed, only the 8th and the 12th chapters are sealed. The 12th chapter was sealed till the time of the end. The Jews should have known the time their messiah had to come wrote Ellen G White, but the leaders had blinded them. She wrote that they should have paid attention to the 70 weeks of Daniel prophecy. How would they if it were sealed to them? It was not for only the 8th and 12th chapter were sealed.

4: There are no symbols in chapter 10,11 and 12. Why would the days be symbolic then? Unlike Daniel 7 and 8 the chapters are free from all symbolic languages.

5: No time of trouble such as there never was before in 1843! No pestilence and no resurrection either. "and at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a

nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book.

And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt” Daniel 12:1

6: All those things finish when the power of the holy people is scattered.

We read that all those things ends when the power of the holy people is scattered. The Church teach that these 1260 days of Daniel 12 which they presume to be years ended in 1798. Yet we are still here and none of the things describe in the first verses of Daniel 12 have been fulfilled.

225 years have now elapsed, and the prophecy is not fulfilled. The time times and half a time of Daniel 12 and Daniel 7 are not the same. One speaks about historical events while the point to the end. One is symbol of years (each day for a year) while the other speaks about literal days.

Is it not time to question what you’ve been taught? Is it not time to ask the compassionate, living God, our loving Father to give you the eye salve? Maybe you already did or maybe not. I’m addressing this document to the general audience. Well, I will tell you something about myself. Sometimes when I’m confused in my mind, not knowing the way, I cry with the Lord asking him for divine help. Whenever my finite mind cannot understand questions related to salvation, I plead with the Lord saying Lord I’m just but a man, all wisdom belongs to you please Lord help the poor sinner that I am. Yes, I realize that I am as guilty as you my dear friend, but the Ecclesiastes say:

“The way of a fool is right in his own eyes, but a wise man listens to advice” Proverbs 12:15

7: Only one starting point in Daniel 12!

If because there is no starting point in Daniel 8 the Church agree that we are to search the starting point in the next chapter (Daniel 9) and criticize other Christians for not doing so, then why does the same Church preach that it is not a big problem when it comes to Daniel 12. Where is the logic? Sister White once wrote “consistency is a jewel” There is only one starting point in Daniel 12 therefore we must start counting from there, which cause a problem to the said traditional Adventist interpretation of Daniel 12. The Church place the 1260 days 30 days after the first day of the 1290 days. Verse 11 is clearly the starting point for the 1290 and 1335 days.

8: Also, the expression, time times and half a time found in Daniel 12:7 is different from the one found in Daniel 7:25. The word moed used in Daniel 12:7 isn't the same as the word Iddan used in Daniel 7:25.

One can have as a meaning a symbolic or literal time times and half a time (1260 days/years) while the other (Moed Daniel 12:7) has not one but two different meanings. It means three and a half years like it is the case in Daniel 7:25 (Iddan) but unlike the word Iddan written in Daniel 7:25 the word moed also mean feast which mean that it can also be translated as one feast two feasts and half a feast. We are here speaking about a shorter period of five months only. I believe this verse has a dual meaning. It means both 3 ½ year and 5 months. It is good to know that the five months covers the period of the 1 and 2 and half feast of verse 7.

Every serious bible student know that the choice of words is of the highest importance to us. They are not to be overlooked as mere coincidences, that would be a grievous error than to call them coincidences. Remember, the bible tells us that God is not the God of hazard or of confusion.

The common translations of the word moed found in Daniel 12:7 is therefore not a hundred percent accurate. The focus of verse 7 is the feasts. God is showing us that the world (or his children) will have great tribulation during a period covering one feast two feasts and half a feast.

One feast (Pentecost in May) two other feasts (feast of trumpets and feast of day of atonement in September) half a feast (feast of tabernacles end September beginning October) Why half a feast? The feast of tabernacles similarly to the feast of unleavened bread last 7 days, it means that Jesus will return right in the middle of those 7 days somewhere on the third day. At the present time nobody knows the exact days for the feasts of trumpets atonement and tabernacles. It will all depend on the cycle of the moon. We said earlier that because there is only one starting point, all three numbers must begin on the same date. It is true when speaking about symbolic days (each day for a year) 1290 days (years) 1335 days (years) Unlike the traditional interpretation we are here interpreting the days as being literal days, not years. Therefore, the time times and half a time of verse 7 can and should begin on a feast day unlike the 1290 and 1335 days which must start with the setting up of the abomination that bring desolation spoken of in Daniel 12:11. It is true because the time times and half a time unlike the 1290 and 1335 days is intrinsically link to the feasts.

So, the time times and half a time begun on the 8th of April in 2020 which was the day of Passover. It will therefore end in September 2023 with the week of the feast of trumpets which I believe will be the moment the kings of the world as prophesied in Revelation 17 will receive power with the beast for one hour (2 weeks) Meaning, the mark of the beast

will be enforced during that time. I give more details about the mark of the beast set to be enforced in September below in the next paragraphs. And the second application of this verse will I believe begin in May 2023 with the feast of Pentecost or the 17th day of the second month as it was in the days of Noah, Genesis 7.

Well, let's continue. If the model of Genesis 7 is proven to be true, the turning point will then occur on the 17th day of the second biblical month and as in Genesis 7 150 days will elapse from the biggening to the end. The 150 days of Genesis is mentioned as months in Revelation 9 and Jesus said that it will be as in the days of Noah. These are good reasons to give special attention to these details. If those things weren't important God wouldn't have inspired Moses to write them in the book of Genesis. The Passover lamb was to be set apart on the tenth day of the first month, right? Noah entered the ark on the tenth day of second month (one month after) The day of first fruit was observed on the 17th day of the first month the week Jesus were crucified. The flood begun on the 17th day of the second month. It will be as in the days of Noah! Incredible! The 17th day of the second month is without a shadow of a doubt a very significant one. It becomes even more significant when you know that there is a 150-day period found in Revelation 9 written as months! Note that the 17th day of the second biblical month will be on May 7 if the cycle of the moon come as predicted. So, the second application of the time times and half a time of Daniel 12:7 will most likely begin on the 17th day of the second month and end right in the middle of the feast of tabernacles on the seventh biblical month. Based on all those informations it seems plausible that the middle of the feast of tabernacles will fall on the 5th or 6th of October (the seventh biblical month in 2023). If the timeline of verse 7 was only about a three-and-a-half-year period, the word used would be Iddan rather than Moed. This is a very crucial detail.

Through the word *moed* God was willing to give a clearer understanding of the end time events to his children. That's why he gave us this precision concerning the five months in his word and instead of writing Iddan like in Daniel 7:25 he inspired Daniel to use the word moed which mean feast.

You will notice that the time times and half a time of Daniel 12:7 is not so much tied to the two other numbers given in the text. The time times and half a time has in this sense two meanings. The most evident, that the events will last three and a half literal years and the other that the very end part of this end time days will last 150 days or 5 months (one feast two feasts and half a feast) from May (Pentecost) to October (feast of Tabernacles) Pentecost being the first feast, the feast of trumpets the second feast, the day of atonement the third feast and the feast of Tabernacles the half feast (in the middle of the seventh day of the feast, meaning on the third day).

Now, what has to be verified is whether the 5 months will start with Pentecost or some days prior with 17th day of the second month. God knows.

Let's summarize it for you! The 1290 and 1335 days start simultaneously at the time when the daily routine (Tamid) of both the world and the Church is taken away. It brings us back to March 2020. March 11 (the day the pandemic was officially declared by the WHO) seems to be the most plausible date to me. Here are some interesting things about the number 11 that I think may help you grasp the importance of March 11, 2020.

WWII ended on the 11th Month [November], the 11th Day, at the 11th hour. September 11 2001 "terrorist" attack, The day of the attack: 11 The Date of the Attack, September 11 or 9/11 = 9 + 1 + 1 = 11, 911 is emergency number = 9 + 1 + 1 = 11, September 11th is the 254th day of the year: 2 + 5 + 4 = 11, After September 11th we have 111 remaining for the end of the year. 119 is the Area Code for Iran & Iraq 1 + 1 + 9 = 11, The first plane to hit one of the buildings was Flight 11, The State of New York was the 11th State to join the Union, New York City = 11 letters, Flight 11 had 92 passengers, 9 + 2 = 11, Flight 77 had 65 passengers, 6 + 5 = 11, Twin Towers look like an 11, Twin Towers had 110 floors, Another sad occurrence of the number 9 and 11 is found in the official number of people killed in the World Twin Towers: 2792. 2 + 7 = 9, 9 + 2 = 11, 27 + 92 = 119, 92 - 27 = 65 = 6 + 5 = 11. You may also check this if you want : <https://www.cuttingedge.org/news/n1756.cfm>

For the above reason we would hold to the 11 of March 2020 as our starting point for the setting up of the abomination. And all we have do is adding 1290 days to March 11 and then plus 45 days to arrive at the 1335th day. We will however most likely not reach this point. The days will most likely be shortened for the sake of the elects. The time times and half a

time of verse 7 being a separate timeline begin on the 17th day of the second biblical month called zif/ziv or with Pentecost and ends after or on the 150th day.

Let's study this section once more! I know this is a little hard to understand. Well, we said that Daniel 12:7 has two meanings 3 ½ years and 3 ½ feasts. The first of the two applications for Daniel 12:7 begun with the Passover in April 2020 and will end in Sep 2023, three and a half complete years. The second application of Daniel 12:7 is as follow, Pentecostal one feast, feast of trumpets and feast of day of atonement two more feasts and finally feast of tabernacles half a feast.

Remember that the feast of tabernacles last for 7 days. Half a feast (of tabernacles) would bring us to the third day of the feast. In this case the final events truwould expand from May to October. Another possibility would be the 17th day of the second month as explained earlier.

That's why I believe Jesus would come right in the middle of the feast of tabernacles as he did in his messianic days, John 7. The day of atonement being the day God's mercy cease to plead in favor of the impenitent world, 7 days later (8 days as in the day of Noah) right in the middle of the feast of tabernacles Jesus will come and take his people to heaven. This shows us that the 7 last plagues last only 7 days or maybe 8. God will not delight in the destruction of his creatures, neither will he like a psychopath watch people being tormented for months by the plagues as some has said. As the Savior cease to minister on behalf of mankind, God's mercy ceases to be.

With a heavy heart the father withdraws his mercy, leaving the sinners in their terrible fate. When these 7 days ends, the Father, Jesus and all the host of heaven come in a twinkle of an eye and take us home. Our trip to heaven as revealed in Rev 8 (half an hour=7 days) last 7 days.

The crucial point to remember is that Daniel 12 days are all literal and that those days that God will shortened for our sake have begun in the year 2020 A.D. The prophetic period of 1290 and 1335 days begun in 2020. This is very important that you remember this point. Also, Jesus tells us that unless those days shall be shortened no flesh would survive. Another thing that must be clear in your mind; During these 1290 days the abomination is set up. Once the abomination set up the last phases of the desolation begin.

Let's continue, we read in Revelation 13 and 11 that America the beast that rise from the earth and abyss enforce the death decree after the 3 ½ year (42 months) of the first beast ROME. When it rises, the saints are thought to be dead for 3 ½ days Revelation 11. I believe that it will happen sometimes in October during the last feast (tabernacles) of God's divine calendar. Now, if the time times and half a time of Daniel 12:7 start with Passover 2020 it certainly ends somewhere around Sep 20, 2023 (3 ½ year latter) with the feast of trumpets.

Then as it ends America enforce the mark of the beast. All these events (America's persecuting the world) cover the last part of the month of September and the first part of the month of October, one hour two weeks Revelation 17. It covers the period from the feast of trumpets to the feast of tabernacles. We read in the writings of Ellen White that national ruin will follow the Sunday law. If the Sunday law is passed this coming June, it means that about three months later in Sep national ruin will come to America, alright?

We are told that the international mark of the beast will come after the national ruin of America. What I understand by this is that the mark of the beast will come with the feast of trumpets when America and the world will be in ruin.

Then, the mark of the beast will last for one hour (two weeks) from the feast of trumpets to the feast of tabernacles, 15 days. The five foolish virgins wake up at the sound of the trumpets (Sunday law) which begin with the feast of trumpets of 2023. ***This will be the bride call to welcome the bridegroom.*** We are told that we will have great tribulation for 10 days in the book of Revelation. Could it be that these 10 days will begin on the feast of trumpets which is on the first day of the seventh month and then end on the tenth day of the seventh month with the day of atonement? It will be a time where we will be jail for the truth. From the day of atonement (the tenth day of the ten days of tribulation) the seven last plagues will then fall on the inhabitants of the world for seven days. Meaning, from the day of atonement (the tenth of the seventh biblical month) to the 17th of the seventh biblical month) the seven last plagues will then fall. Note that the feast of tabernacles starts five days after the day of atonement on the 15th day of the seventh biblical month. Then at the beginning of the feast of tabernacles we will be in the wilderness for 3 ½ days and then on the third day (3 ½ day) Christ will return and take us home. The 3 ½ days are based on Revelation 11. As I said in the beginning of the study, the

international justice has now since March 2023 received the power to “enforce” climate laws upon countries.

Feast of trumpets first day of the seventh month Mark of the beast enforce.

Then follow the ten days of persecution, a time during which we are jailed.

On the tenth day (day of atonement) Jesus leave the holy of holies and the plagues begin to fall.

It last for seven days

On the first day of the feast of tabernacles the death decree is announce

The death decree last for 3 ½ days Revelation 11

Right in the middle of the feast of tabernacles Christ come again and take us home.

I cannot continue without sharing with you the following information! May 2023 will mark the eighth year of Laudato si (the pope demonic plan of control) 8 days (years) in the ark then the flood begins? Also, there will be a solar eclipse the first day of the SECOND month. Interesting, isn't it? The last time this solar eclipse occurred was in Nov 2013. What happened in Nov 2013? The pope met with prime minister Vladimir Putin.

But an even more significant event took place in Nov 2013. The pope launched the first ever official plan of his papal carrier named Evangelii Gaudium. Meaning the joy of the gospel. Which gospel? The gospel of the antichrist of course.

He had been given ten years by God to seduce the inhabitants of the world. The number ten is narrowly link to God. Ten commandments, ten “God said” in the creation account, ten days of waiting after Christ departure to heaven in the book of acts, A tenth of all your income belong to GOD, Also, the Passover lamb a representation of the Son of God was to be set apart on the tenth day of the first month, the holy day of atonement is on the tenth day of the seventh biblical month, ten generations of man lived on the earth before the flood waters came and swept away all those who were disobedient. Noah was the tenth patriarchs from Adam. You will see bellow how the image of the beast was fully formed in Nov 2022 during the cop27 and that similarly to the account given in the book of Esther the image of the beast will cease to be after eleven months Nov 2022-oct 2023!

9: Was the interpretation of Daniel 12 now held by most of the Church a universally accepted interpretation among the pioneers? The answer is no. Sister White never acknowledge this interpretation even though some supposed EGW quotes support it.

If you read the 1884 Great controversy you will not find any mention of it. The reality is that history has repeated itself. As the scribes wrote spurious things at the time of Israel so the General conference has done. Books of a new order was published, quotes from EGW have been misused, taken out of context. The theologians in charge of this abomination took portion of her writings and presented them to the people.

They will have to give an account for this. Jesus said "Take heed that no man deceives you" Matthew 24:4

Jesuits have infiltrated our ranks as prophesied by sister White! Here is the reason why our logo has been changed! Now was every statement made by Ellen G White true and inspired by God? I will rephrase my question, was everything Noah, Abraham, Moses, Peter, Paul and all the other prophets said believe and did, correct?.

If we are talking about the inspired words and actions, then we say yes! What is a hundred percent correct is their revelations or the actions that they made based on God's instruction. They were humans and sister White was as much human as them! Our helper is not sister White, our helper is Jesus Christ.

Without the inspired word of sister White, we wouldn't be there today. However not every word uttered by our dear sister White was inspired. Only the comforter can teach and lead us so that we may discern what is from God and what is not. That's why we do not believe the apocrypha to be true and inspired. Just because it was in a bible Luther didn't take for granted that it was from God. Test the spirits saith the bible to know if they are from God.

10: The 12th chapter of the book of Daniel open with these words " And at that **time** shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy

people shall be delivered, every one that shall be found written in the book. And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt. And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever. But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased” Which time? The time of the end. The time of the end in Daniel 12 is a specific period of 1335 days concerning which Jesus commanded us to pay attention.

What are we to understand here? To understand the context, one must simply go back to the previous chapter and search the phrase “ the end shall be at the time appointed” The end starts at the time appointed.

Daniel 11:27 that the end couldn't have happened before the time appointed. There is a time appointed for it. Verse 27 through 30 speak about the two poles of the antichrist power that seek to set up the abomination that bring desolation but in vain, for their efforts doesn't produce the desired results for the time had not yet come. Each of them wants to have control over the new world “Daniel 2 the divided power” After years of conflict they finally find ways to be at “peace” with each other but still cannot make one and therefore remain divided. On both sides the Vatican is here pulling the strings in darkness. Russia, America, China and all the other, yes, all of them are working for the Vatican.

They are playing a game before our very eyes to bring about their new dystopian world order, and the papacy, as it was before is the one who decides to whom this or that part of the world belongs to.

They will not tell you everything that they are doing. Jesus once said “If Satan also be divided against himself, how shall his kingdom stand? because ye say that I cast out devils through Beelzebub” Luc 11:18. They show you only what they want you to know. The bible is our light! How can they be divided while they sit as kings in the United Nations? America, Russia, China, France, and the United Kingdoms are the five great bosses of the UN. If the US, the United Kingdoms, France, and China agree about something and Russia come and say no I don't agree with you, the four cannot move forward with their plan. In other word decisions cannot be made unless a consensus is found among all five of them. Unbelievable, isn't it? President Putin has often expressed his willingness to work with the Vatican. We read in an article “President Vladimir Putin has visited the Vatican five times and has already had two private conversations with

Pope Francis, in 2013 and 2015. He is expected to meet him again next January when he comes for the opening of a Russian art exhibition in the Vatican. Moreover, Russia's Foreign Minister, Sergey Lavrov, has met his Vatican counterparts on several occasions and engaged in what sources say were "substantial, constructive discussions." The so-called opposition of Putin to the papacy is but a smokescreen.

Putin praises the papacy and the present-day pope!

<https://www.themoscowtimes.com/2021/12/17/putin-tells-pope-they-can-jointly-protect-christians-a75859>

China on his side has always follow catholic ideologies. They are not anticatholic but pro catholic! They opposed the bible and conversion. From either side the papacy is in control. Do not wait for a true partnership between the US, China, Russia, and the other countries, it will never happen. Satan and the Vatican know that to lead there must be divisions. Divide to conquer! All roads lead to ROME!

We read the following in Revelation 17:13 "These have one mind, and shall give their power and strength unto the beast" Whose mind do they have? The mind of Satan, the spirit of their father. Spirit of destruction, not of peace. While the children of God are perfectly united, the kingdom of Satan remain divided until the end for only the spirit of love can bring true unity among people.

America the first power in the world followed by all the kings gives their power to the beast therefore what prophecy tells us is different from what many are expected. The world will remain in a certain sense divided until the very end for there will never be another great empire again. They will try but will fail until the end.

It is a false peace, false unity that will prevail until the uttermost end of the world. This false peace will come suddenly and unexpectedly. "Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken" Luke 21:26 Did you think that man truly have control over prophecy? Stop looking after man's plan and start taking the word of God seriously people of God.

These have one mind and shall give their power and strength unto the beast. Revelation 17:13

Paris agreement 2015 signed by the kings under papal authority.

2020 Great reset under papal authority!

COP27 pope ten commandments exalted!

Strong commitments of the kings to the unfold the papal agenda!

More recently 130 countries signed a consensus to give their decisional power to the international court of justice! Who do you think rule this international court of "Justice"? THE PAPACY!

And all the ecumenism pacts signed with the pope from the various religious leaders, included the seventh day Adventist church is outstanding! It is even more prophetic when you realize that there is absolutely no climate crisis happening! So, what's going on in this world? Hundreds of experts have written about it and have said that there is no climate crisis.

You know what is causing all the natural disasters around the world? SIN! As sin increased and human reject his creator's divine authority, the creator slowly removes his mercy from the humankind. And as God removes his hand, Satan and his angels attack the world. These disasters were supposed to awake the minds of the people, but Satan has found a way to darken the minds of the people even more with his false climate crisis! Mercy LORD, mercy.

They are now since 2020 ready to bring about their new world but how would they do that if the holy people oppose them? We are a threat to them! Daniel 11:31 the king of the north and south turn against the holy people and make war with them. We are now at verse 31 the time of the setting up of the abomination the antichrist supremacy over the world marked by the pandemic COVID-19.

"And arms shall stand on his part, and they shall pollute the sanctuary of strength, and shall take away the daily sacrifice, and they shall place the abomination that maketh desolate" Daniel 11:31

Many will tell me that it cannot be so. They would say that there is no sanctuary where the enemy could have come. The spiritual mind shall understand. The Old Testament contain shadows of things to come. Remember the end time antichrist power have but little to do with Catholicism popular doctrines. It is now a political papal Rome hidden under religious modesty that arise and take the wheel of power and control. Everything is about science, economy, technology. Everyone is free to practice his abominable religion say the papacy. Very different from

the middle age persecuting power. But behind these humble and so called politically correct appearance is hidden spiritism and Catholicism. Sunday observance is now about science.

They clothed their sun worship cult with scientific garments and fool the world so that they may force their mark of authority on the inhabitants of the world.

Climate change climate change climate change, it sounds a little bit like a mantra to me. The pope has hypnotized the world. He even said that COVID-19 was caused by climate change! Are you putting the puzzle together? We were living in the time of the abomination that bring desolation to the world and we didn't even realize it.

Well, the abomination mention in verse 31 is the same as the one of Daniel 12. In Daniel 12 the angel is now explaining how, when and for how long the abomination mention in Daniel 11 is to last.

We know it for in Daniel 12:11 the angel seems not to be trying to announce to Daniel that there will be an abomination that will bring desolation but instead explain something that has previously been revealed. "And from the time that the daily (sacrifice) shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days. Daniel" 12:11

Now understand that all the events from verse 31 of Daniel 11 to verse 45 of Daniel 11 and to the 12th chapter of Daniel occur during the given prophetic time in Daniel 12:11-12

One of the angels ask a specific question in Daniel 12:6 and say:

"How long shall it be to the end of these wonders? And I heard the man clothed in linen, which was upon the waters of the river, when he held up his right hand and his left hand unto heaven, and sware by him that liveth for ever that it shall be for a time, times, and an half; and when he shall have accomplished to scatter the power of the holy people, all these things shall be finished" Daniel 12:6-7

The one clothed in linen sware! He swares and say three and a half years and all those things will be finished. During that time unbelievable things take place and Daniel is trouble by all the abominations shown to him in the vision.

Are these things happening? Yes, they are! Unprecedented abomination being done. Things that have never been done before are now practice in daylight in this Church.

God divine revelation teach us that everything ends on the 1335th day. Nearly 180 years has elapsed now, and we are still here. God doesn't lie! Everything must end between the (1260th) and the 1335th day. Remember time is cut short for the sake of the elects. For the said traditional view to be correct the end should have come 180 to 225 years ago.

But the question remain how is Daniel 12 being fulfilled in this present time? The same way Revelation 13 is being fulfilled, by the little horn being exalted like it had never been before. Yes, the Vatican have received all power since the pandemic and is ever since reshaping the world. A new world order was then established but only the wise will see it, the fools will not. Instead of being a religious persecuting power the papacy in these last days is acting as do the most intelligent politicians. They are doing politic. Prophecy is being fulfilled.

A careful study of Revelation 12, 13 and 17 shows us that the papacy had to deceive the world with his political influence rather than with his religious influence. You will notice that the world gives its power to the beast Rev 17 and 13. And all the world wandered after the beast. They love the beast and see in him their savior. Science and politic is involve here. Notice that in Revelation 17 it is the beast (political power) that empower the prostitute woman who were drunk with the blood of martyrs.

We do not want to oppress people with our traditions say the papacy of today. We only want you to be happy and enjoy freedom of conscience. We want everyone to be politically correct. We want science to serve the people so that poverty and injustice may end. The world is being deceived.

The Sunday law has received great attention ever since 2015 and in the year 2019 the pope finished to plan his worldwide deception. Sunday sacredness has strongly been discussed in the United States of America and elsewhere in the world. The road that leads to Rome has silently been paved. The last movement will be rapid one says the spirit of prophecy. In respect to this reality, the papal plan was enacted in 2020. The world was plunged into uttermost chaos THE ABOMINATION THAT BRING DESOLATION WAS SET UP. The old normal replaced by the new normal. The world routine forever changed as prophesied in Daniel 12 verse 11. The tamid (routine) changes!

The three phases of Rome

- 1: pagan Rome
- 2: Catholic Rome
- 3: Universalist-political Rome

There should be time no longer.

Let's summarize, the Church is strongly opposed to anyone trying to apply part of the prophetic periods found in Daniel and Revelation to our time. For most of us only what is called the historicist view is correct as if God would have mere mortals dictating his word and the way it should be understood. Where do we read preterist, historicist or futurist in the bible? What can prevent God from revealing his prophetic periods the way that suit him for the events that he wants? Nothing. We see here only a man-made categorization, not divine truth.

Context matter! Also, most of the traditional interpretation of the Church on the seals and trumpets are not an Adventist thing but rather an even older belief held by protestants decades before the Adventist even come to existence.

Some may say that Rev 10 says "there should be time no longer."

Revelation 10 may have had a first application but what is sure is that it is an end time prophecy. Read Rev 10:1-7 It is when the seventh trumpet is sound that this phrase here given in Revelation 10:6 becomes reality, not before.

"And when the seven thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me, seal up those things which the seven thunders uttered, and write them not." Rev 10:4

Well, it is about the time when the seven thunders utter their voices that the angel say there should be time no longer. It is at the sound of the seventh trumpet that these seven thunders utter their voices. This is to happen in the future at the second coming of Christ.

I believe this to be the day and the hour of Jesus second coming based on Ellen White writings which speak of the voice of God announcing the day and hour of Jesus second coming and of the law of God that appears in heaven while the voice of God announces the covenant with his people just a few moments before Jesus second coming {See the GC chapter 40

God's people delivered}. She says that the voice of God sounds like thunders. And according to her it happens as the law appear in heaven and God announce his covenant with the 144000. Therefore, the context is the same as with what she wrote. How do I know that? Rev 11:15-19

“And the seventh angel sounded; and there were great voices in heaven, saying, the kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever. And the twenty-four elders, which sat before God on their seats, fell upon their faces, and worshipped God, Saying, we give thee thanks, O Lord God Almighty, which art, and wast, and art to come: because thou hast taken to thee thy great power, and hast reigned. And the nations were angry, and thy wrath is come, and the time of the dead, that they should be judged, and that thou shouldest give reward unto thy servants the prophets, and to the saints, and them that fear thy name, small and great; and shouldest destroy them which destroy the earth. And the temple of God was opened in heaven, and there was seen in his temple the ark of his testament: and there were lightnings, and voices, and thunderings, and an earthquake, and great hail.” Rev 11 vs;15-19.

The key factor to understand it, is the phrase “there should be time no longer” We must first know when this phrase is uttered? It is uttered as the seventh trumpet sound which is the moment when the seven thunders are given which are as all of us know events that have not yet occur.

And sware by him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer: **But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.**

But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.

Yes, the day and hour of his coming should be revealed to his people then!

And the seventh angel sounded; and there were great voices in heaven, saying, the kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever. And the four and twenty elders, which sat before God on their seats, fell upon their faces, and worshipped God, Saying, we give thee thanks, O Lord God Almighty,

which art, and wast, and art to come: because thou hast taken to thee thy great power, and hast reigned.

And the nations were angry, and thy wrath is come, and the time of the dead, that they should be judged, and that thou shouldest give reward unto thy servants the prophets, and to the saints, and them that fear thy name, small and great;

and shouldest destroy them which destroy the earth. And the temple of God was opened in heaven, and there was seen in his temple the ark of his testament: and there were lightnings, and voices, and thunderings, and an earthquake, and great hail. Rev 11:15-19

So, there should be time until when the seventh trumpet which contain the seven thunders is sound! Don't let them fool you!

So, let's summarize it all.

The seventh trumpet sound

In the seventh trumpet are found the seven thunders

When the seven thunders sound the mystery of God is revealed

When the mystery of God is revealed, Jesus come on the cloud of heavens! Read Rev 10 and 11 carefully please.

Now the church teaches Rev 11 prophecy was partially fulfilled during the middle age. How can we be farther from the truth? What do we do with the 42 months?.

The pioneers were right on most of their interpretation but that doesn't mean that all what the pioneers believed was a hundred percent accurate.

Also, the text doesn't say there should be no more prophetic time as they want you to believe! It simply says "there should be time no longer" Why? Because Jesus comes at that time. That's all what the text is saying! Wake up people, wake up.

Daniel 12 and the seven seals

Little note: The word biblaridion translated as book in most translation can also be translated as scroll.

The words in Daniel 12 and Revelation 10 shows that these two chapters are link together.

“Then I Daniel looked, and behold, there stood other two, the one on this side of the bank of the river, and the other on that side of the bank of the river. And one said to the man clothed in linen, which was upon the waters of the river, how long shall it be to the end of these wonders? And I heard the man clothed in linen, which was upon the waters of the river, when he held up his right hand and his left hand unto heaven, and sware by him that liveth for ever that it shall be for a time, times, and an half; and when he shall have accomplished to scatter the power of the holy people, all these things shall be finished.” Daniel 12:5-7

“And he had in his hand a little book open: and he set his right foot upon the sea, and his left foot on the earth, and cried with a loud voice, as when a lion roareth: and when he had cried, seven thunders uttered their voices. And when the seven thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me, seal up those things which the seven thunders uttered, and write them not. And the angel which I saw stand upon the sea and upon the earth lifted up his hand to heaven, And sware by him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer: But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.” Revelation 10:2-7

If Revelation 10 is link to Daniel 12 and that Daniel 12 speak about the end of the world it means that the prophetic events of Revelation 10 occur in the very end of this earth history.

Taking into consideration the wording found in Revelation 10 and Daniel 12 one can only conclude that the little book of Revelation 10 is both the seven seals that were sealed in Revelation 5 and the sealed revelation of Daniel 12. In Revelation chapter 5 we read that there was a little book that was sealed. But when we look at the words used in Revelation 10 it reminds us of Daniel 12.

Therefore, the chapter must be talking about both. Daniel 12 and these seven seals of the book of Revelation. Now understand, Daniel 8 and Daniel 12 are the only two chapters of the book of Daniel that were sealed, right?

What if the text had a first application at a lower level with the great disappointment of 1844 which is based on Daniel 8 the first sealed chapter of the book of Daniel and a second application when the second sealed chapter, chapter 12 is unsealed at the very end of the world.

First unsealing 1844 Daniel 8 great disappointment

Second unsealing 2020 Daniel 12 full scale bitterness in a world even more evil where you are forced to face the bitter reality of losing your loved ones. The bitterness that these revelations cause once received is very hard to live with.

Revelation 10 a chiastic text

Both the book of Daniel and the book of Revelation are very chiastic in nature. The passages are of great complexity. Sometimes you will see events number 1 at the end or at the middle of the text and event number 3 for example at the beginning.

The same thing is happening here with Revelation 10!

The swallowing of the little book precedes the time where the angel uttered his voice and say "there should be time no longer."

The little scroll is eaten first then the angel say thou must prophecy again and then we get to the point where the seventh trumpet is sound, and the seven thunders are given. I believe the bitterness of the people occur first with the unsealing of Daniel 8 2300 morning and evenings and then at the end with the unsealing of the twelfth chapter of Daniel.

Little note: You will notice concerning the seventh seal, the seventh trumpet, the seven thunders and the seventh bowls that all of them come "simultaneously" It is not true of all the other seals, trumpets and bowls. We read in Revelation 8 that there was silence in heaven for half an hour. Half an hour in prophetic language equal one week. It is the amount of time it will take us to arrive in heaven. During this time heaven is empty. God and his Son with all the angelic host come and take us home. This silence take place after the seven days of the seven last plagues which begin after the sixth seal of Revelation 6. So, the 7 last plagues begin with the seventh seal.

In the sixth seal is depicted Christ coming with great power. This seventh seal coincide with the seventh trumpet and bowls and with the seven thunders. Why? Because the seven thunders take place when the seventh

trumpet is sound, and the seventh bowls poured. During this specific time the seventh seal is open.

4: The abomination set up in 2020

The tamid changed study of Daniel 12

In Daniel 12:11 we read that we must start counting as from the moment the world routine change. The word Tamid mean continual. It is commonly translated as perpetual sacrifice. However, the word perpetual sacrifice doesn't appear in the text. The literal translation is continual.

If you restrain the word to mean sanctuary desecration then you will fail to see the broader implication of the warning, warning which both Jesus the great MASTER and sister White the servant of God tells us to understand.

In 2020 the world routine was changed.

What never happened before happened then.

Everything shut down, fears went beyond the roof and reached the stratosphere. The world was terrorized. Would the world survive this crisis? A global chaos was strongly felt. The global economy has ever since experience great turbulences. The cost of life has drastically changed. Draconian laws are now being passed everywhere.

From the time the pandemic began the true character of governments and religious bodies was revealed. The spirit of Rome is leading them all. They had all worked in concert together to bring about the **new normal** as they called it! Their aim was to destroy faith and grow the dependence of human on science. Don't get me wrong, I'm not against all scientific things. What I mean is that the elite had a plan, and their plan was about removing genuine faith from the earth. They want religion to remain but not genuine faith in Christ. It was prophesied Rev 13 and 17! All the destruction of the system will bring about a complete desolation on every level of society.

They say in their hearts "We create the chaos and then build everything back better as per our will" Better mean worst here! Check out the phrase ordo ab chao for more information.

Church and state union complete in 2020

You think it acceptable for the governments to rule the churches? To have the governments giving policies to church leaders? To have police checking if the churches are obeying the governments? Whatever the

governments commanded the churches had to obey. Would the early church accept it? Would JESUS comply to these rules? Health crisis? FAITH genuine FAITH is what we need! The serpent will bite us, but no harm will be done to us. Some will give us poison, but no harm will be done to us. If Christ is for us what and who can be against us! Fear not what can destroy the body! Arise people of God, arise for we are at war with the fallen angels. The one that was, who is, and is to come is with us!

Him that maketh a way for Israel in the wilderness and who opened the red sea so that his people may go through all the dangers and safely arrive at Canaan the promise land.

The church receiving money from the governments.

Did you know that all religious organization received money with their governments? Church and state union! They paid the silence of the churches!

Breaking of the commandments of God

We know that the casting down of the law of God equal setting the abomination that bring desolation, right? Christ the law giver gave the Lord's supper and gave us HIS instructions based on his divine authority. What happened if we discard HIS commandment for the profit of man commandments? We spiritually remove him from the sanctuary and place the man sin that exalted himself above all making himself God.

Who has the right to bring modification to the Lord's supper THE PASSOVER! Christ is our Passover. You see the sacredness of this holy convocation? Even worst the pastors and leaders of Church acted as Roman priests. They wash each other's feet while the people sit and watch. I remember here in my country they gave little commercial bricks of juice to people, sometimes accompany with unleavened bread and told the people to take the Lord's supper while watching them performing the ritual on tv, computer or mobile phone. It was a complete abomination. Jesus replaced by the god of science!

The bible also give instruction about the way we are to salute each other. Salute one another with a holy kiss.

They said, no don't touch one another. Would Christ have complied? No! Where is the faith? They touched the lepers! Their mask, their sanitizers and all their despotic laws was very oppressive and abusive. It was not human. It was an abomination, abomination that is bringing our world to

its complete desolation. See the health of people then and now, the health of the world economy, the new economic systems that has gain power ever since this manmade pandemic.

The temple of God (body and truth) desecrate.

They attacked the temple of God with their virus, vaccine, and despotic law! They cast down the divine law and desecrate the Church. We have seen even greater abomination in the Church since 2020. I remember watching a video where people from my national sda Church read bible verses before throwing away the verses behind their back. It was supposed to be a spiritual thing. I have so far seen so many scenes that were describe in the Great Controversy that had to happen just before the end. The apostasy of this Church has reach unprecedented level.

After seeing gay elders and teachers we are now seeing gay pastors working for the GC. On the other side we are witnessing false revival in many places around the world and the papacy exercising complete power above all religious bodies. It is being done in DARKNESS. Give one major religious body that hasn't signed with the pope of Rome? Only one, one. All of them are under papal dictatorship as I am writing this study. Not to forget things like the AI spiritism gaining traction day by day, the dystopian laws that is being passed everywhere and the LGBT community being empowered like never before.

https://en.wikipedia.org/wiki/2022_in_LGBT_rights

From verse 1 to 5 we read the last great events that precede the return of Jesus Christ. In verse 6 we read the following "And one said to the man clothed in linen, which was upon the waters of the river, how long shall it be to the end of these wonders?"

So, the question is related to the events previously described alright?

Then in verse 7 we have a first and partial answer which read as follow " And I heard the man clothed in linen, which was upon the waters of the river, when he held up his right hand and his left hand unto heaven, and sware by him that liveth for ever that it shall be for a time, times, and an half a time; and when he shall have accomplished to scatter the power of the holy people, all these things shall be finished"

You will notice that the angel doesn't bother to give the starting to Daniel but only say that in "three and a half year" and three and a half feast (dual

application) everything will be finished. We agree this is what we read in the text am I right? Daniel heard but understand “ And I heard, but I understood not “then said I, O my Lord, what shall be the end of these things?

And the angel said “ Go thy way, Daniel: for the words are closed and sealed till **the time of the end.**”

It goes on and say “Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand.”

Before going further, understand that the appropriate translation should be as follow, some will be purified, some will understand but the wicked (the majority) will not understand and will do wickedly until the very end.

Now wait a minute, the text is saying that during this period of three and a half years many (some) will be purified. Doesn't it remind you of Revelation 11:1-2? Yes, my friend, the judgement. These three and a half years are connected and is a time where the Church is judge. Some are judge pure and some are gathered with the wicked. Daniel 12 verse 7 must therefore have a dual meaning, three and a half years and three and a half moed (feast)

To read Ezekiel 9:4-11

“And the Lord said unto him, go through the midst of the city, through the midst of Jerusalem, and set a mark upon the foreheads of the men that sigh and that cry for all the abominations that be done in the midst thereof.

And to the others he said in mine hearing, go ye after him through the city, and smite let not your eye spare, neither have ye pity: Slay utterly old and young, both maids, and little children, and women: but come not near any man upon whom is the mark; and begin at my sanctuary. Then they began at the ancient men which were before the house. And he said unto them, Defile the house, and fill the courts with the slain: go ye forth.

And they went forth and slew in the city. And it came to pass, while they were slaying them, and I was left, that I fell upon my face, and cried, and said, Ah Lord God! wilt thou destroy all the residue of Israel in thy pouring out of thy fury upon Jerusalem? Then said he unto me, the iniquity of the house of Israel and Judah is exceeding great, and the land is full of blood, and the city full of perverseness: for they say, The Lord hath forsaken the earth, and the Lord seeth not. And as for me also, mine eye shall not

spare, neither will I have pity, but I will recompense their way upon their head. And behold, the man clothed with linen, which had the inkhorn by his side, reported the matter, saying, I have done as thou hast commanded me.”

And now and only now in verse 11 is given to us the starting point. “And from the time that the daily (sacrifice) shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days” Remember it is here talking about the new Tamid “new routine” not just the temple desecration. World routine changed in 2020, start to count and be ready for the end is coming.

The big picture is that there will be three and a half years from the setting up of the abomination to the end.

Then it goes on and say in verse 12 “Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days.”

And it finishes with verse 13 and say “But go thou thy way till the end be: for thou shalt rest and stand in thy lot at **the end of the days**” Now will God cut portion of the 1335 days. Time will tell us. The conclusion up till now is that the prophecy has begun in 2020 and is poised to end in 2023.

5: Esther and Daniel proof that the image to the beast last one year

In Nov 2022 the Vatican was given even more power on the climate accord, the Paris agreement. In the same month was held the sun worship ceremony in Egypt on mount Sinai. They exalt the pope’s ten commandments. It was not something minor! I even received a vision from God after days of prayers and mourning, watching thousands walking the path of eternal ruin.

In the book of Esther, we read that Hamaan, and the king sign a death decree. The decree was to be executed about one year from the day it was issued. We know that this story is closely related to us. Eleven months later the Jews was to be eradicated from the surface of the earth. They had signed something decisive in Nov 2022.

They plan to eradicate all those oppose their plan by the end of 2023! The kings of the earth have made an image to the beast and the image to the beast based on the bible last “one year” only!

Just after the golden image of king Nebuchadnezzar written in Daniel chapter 3 the king had a dream which I believe followed the events of Daniel 3. In that dream the king saw a tree which represent the king

himself. The king heard someone say “let the stump of his roots in the earth” which as we know mean that his power will not be removed from him forever. Twelve months later his power was removed. The golden image represents the image to the beast of modern Babylon in these last days. As in the book of Esther about one year later the image to the beast is taken down by God. The decree found in the book of Esther is also a representation of the image of the beast. Why? Simple! When the kings of the earth unite with the papacy to enforce sun worship to the world the kings of the earth would have play the role of Hamaan. This is written in the spirit of prophecy.

So, here we have two examples of the image to the beast, antitypes of the end time lasting for about one year. It tells us that it will be rapid, very rapid until the fall of Babylon. In one day came the fall of Belschatzar and in like manner say the bible the fall of modern-day Babylon will come in one hour.

6: A vision the day after the satanic ritual in Egypt COP27 mount Sinai- image of the beast completed

During the week the COP27 was held back in November 2022 I was in deep sorrow, crying and praying while trying to share the truth with the multitudes. I knew that something big would happen. I didn't know what, but I knew it was decisive.

My dream: On Nov 14, 2022, the day after the satanic ritual that took place on mount Sinai, in the morning while I was praying.

I found myself inside a catholic church, it was dark inside the church. The child was clothed in black and on her head, there was a veil, under her feet a red carpet. The child looked as if she was in total submission to the king. She had her head bow to the ground and in her hand a scroll. She moved slowly in the direction of the king. Then, the king rose from his throne and took the scroll. My vision stopped there.

Months after the vision I received the meaning from God. The image to the beast was fully formed then. As written in the spirit of prophecy the Sunday law make its way through darkness.

Based on Daniel 12, the events found in the book of Esther and Daniel and various other signs that were given to us, we have concluded that Jesus will come again in 2023. Here below I share all the other proof that were given to us as a Church.

7: Many more proofs for the year 2023:

Back to the time of the destruction of Jerusalem there was a seven year period (63-70AD) during which God gave signs to Israel. They heard trumpets and, in the sky, appeared strange clouds having the form of chariots ready for battle (The great controversy Chapter 1 the destruction of Jerusalem) On the 1st of Oct 2016 above Jerusalem in the heaven appeared a ring of fire accompanied by the sound of trumpets. History revealed the future, the things that was will be again say the bible. It happened the day before the feast of trumpets! UNBELIEVABLE!

The pope laudato si 7 years laudato si action plan is plan to end in 2027. Here the papacy is typifying Jesus 7 years (27-34AD) with the Jewish people. As Christ was cut off during the middle of the week so will the papacy be cut off during the middle of the week.

At the arrival of emperor Constantine in 313 AD persecution ended with the edict of Milan. There began 225 years of tolerance which was to end in 538 with the accession of the papacy to the throne. Now, we know that the papacy lost its power in 1798 and that from this exact year to 2023 there is exactly 225 years. Coincidence? I don't think so.

We know that three and a half years elapsed from the year during which the abomination of desolation was set up to the time the abomination was consumed.

The signal to flee from Jerusalem was given in 66AD and three and a half years later Jerusalem was destroyed as predicted by Jesus.

When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet (Daniel 11 and 12) stands in the holy place, (whoso readeth, let him understand. Matthew 24:15

Matthew 24 being a twofold prophecy it becomes legitimate to believe that history will repeat itself. Everything tell us that 2020 was the year during which the abomination that bring desolation started. Three and a half years later the destruction not of Jerusalem this time but of the world will take place. Knowing before all that the destruction of Jerusalem is a shadow of Christ coming.

2015-2022 was the last seven years given to spiritual Israel hence the reason why the apostasy has recently reach unprecedented level. It began in 2015 when the papacy was given entrance in the US parliament and ended sometime at the end of 2022. There had to be a last 7 years given to Israel and these 7 years had to end one year before the end. Then began the YEAR of the Lord. The Lord always gives 7 years of

grace! It coincided with the last year beginning in 2022 and ending in 2023. End of 2022 to the end of 2023 being the final year, called the year of the Lord. It doesn't surprise us that the image to the beast was officially erected in Nov 2022.

It will be as in the days of Noah.

From 2015 to 2023 it is 8 years.

Noah and his family waited 8 days; the Church wait 8 years. Outside the ark the pagans were performing their pagan rituals mocking God and his prophet. The same is to happen with their new religion which the aim is to lead people to worship nature instead of God.

The so-called climate change is the new religion of the world and a mockery to God and his people.

Israel spent four generations in literal Egypt. On the fourth generation they departed from Egypt. The seventh day Adventist Church as an organisation was found in 1863. It is when we received the name seventh day Adventist. From 1863 to 2023 we have exactly four generation. Is it not time to take possession of the heavenly Canaan and left the curse Land of Egypt (the world) The parallel make sense because of the following reason; It was the sign that the Church has set its tent in Egypt!

Christ overthrown for 43 years

Alongside the fact that the Seventh day Adventist Church will be old of four generations in 2023 it will mark the 43 years of the trinity in the seventh day Adventist Church. The Jewish leadership (the Sanhedrin) rejected Christ in 27 AD and 43 years later the wrath of God was on them. In 2023 it will be exactly 43 years since the Church leaders officially rejected Christ as our comforter. Coincidence? I really don't think so! If you look for the meaning of the number 43 in the bible, you will notice that this number is link to controversy. The Controversy between good and evil ended, Christ and Satan. The enemy wanted to be part of the divine counsel of God and this controversy last for 43 years in God's Church. The controversy ended then.

The darkness that has covered the majority of those that refused to stop partaking with the spirit of darkness of this organization is overwhelming. May God have mercy upon his children wherever they may be in this present time.

king Hezekiah 15 years was a shadow of things to come.

The economic crisis of 2008 was so big that many experts believed that humanity wouldn't survive this crisis. The Church of course believe that the end was right there in the corner. Exactly 15 years was given to mankind. 15 years of grace.

2023 and the false messiah

According to prominent religious figure all major religious books point to the year 2023 as the year in which the messiah will arrive. According to the book the prophecies from Nostradamus World War 3 will start in 2023. I am not saying that those religious books are inspired but that Satan is the master deceiver and that he knows the bible very well. We know that Satan will not be able to come in the form of Christ before the sealing of the people of God. Satan knows how to analyse the calendar of God. Remember how he had put to death thousands of Jewish babies at the time of Jesus. Remember how he tried to kill Moses. How could he know? The calendar of God. You may want to check the book called The end Times 2023 AD by S.A.H the link : <https://www.scribd.com/.../2615.../End-Times-and-Year-2023AD>

Joe Biden 46th president

This one may sound crazy to you, but I found it interesting that Joe Biden is the 46th president of the world most powerful country. The number 46 is of major importance in the bible.

Moses 46 days to receive the law.

The temple built in 46 years.

from 1798 to 1844 there is 46 years

There are 46 jubilees in the 2300 years of Daniel 8:14

From the creation of Adam to Joseph when all his family gathered in Egypt and established Israel as a nation there was 2300 years. It seems like this number symbolizes restoration.

We will read psalm 46 during the time of Jacob's trouble – Ellen White writings.

46 mentions of each of the following words, conceived, multiply, the flesh, the seed, the vessels, the vessel.

Paul, Barnabas, and John Mark, in the fall of 46 A.D. complete the apostle's first missionary journey.

The number 46 seems to mean construction and restoration.

8: Dreams and visions given to seventh day Adventists

My closed relatives, members of our little church received dreams and visions as well. In one of her dreams my wife saw a four headed white serpent on which one who pretend to be the high priest and King was seated. The man was dressed like a high priest and had a gold crown on his head. He had hair like wools and a royal rod with at one extremity a precious stone like sapphires. Behind him was the American supreme court. One of the heads spoke but she couldn't hear a word of what the head was saying. Then she saw the man walking on a path, white like snow and the world was in awe before him and marveled before the great deceiver who present himself as being Christ.

When she saw how the world loved the man she spoke and said, "is it not the antichrist?!" and here stopped the dream. The four heads represent catholicism, fallen protestantism, spiriticism and secularism, the four power through which the enemy is actively working in his work of deception. All deceptions are being preach under the garments of science, technologies and politic. The head that spoke must be secularism. Pope Francis is known as the modern pope.

In another dream she saw the lion of Judah with wings like the ones of eagles on a big cloud.

The lion positioned itself towards the north and looked at her with tender love and said, "I am coming quickly" The lion had a lamblike head and other animals' heads attached to its neck which remind us of the animals found in Ezekiel and Revelation. She saw terrible signs blood, black clouds, red blood clouds, lightnings and many other things. Some weeks before Passover she saw a great red dragon furious at her and angels protecting her, one of them coming at her commanded her not to allow herself to be distracted but to hasten her preparation for the door of grace was about to be closed forever.

Then, she finally entered the great city and she saw the heavenly Jerusalem a mighty and wonderful place like the one describes in Revelation.

In 2020, my sister was warned in a dream that we were about to enter the time of the great persecution. My mother also saw priests leading the seventh day Adventist Church in her dream. They saw pagan customs being perform inside the church by seventh day Adventists. Each time darkness was all over the place. My mother was protected by Jesus before the attack of a demon that had a sickle ready to kill my mother.

I and the church members had received many dreams about the Church since 2021. We were warned about the evil spirits present in the Church. We saw people enjoying their sinful festivities when suddenly the wrath of God smit the world. My wife heard some seventh day Adventists saying "they are crazy Jesus will not return now" while they were uttering those words she rose in the air, and she heard people saying a great stone is heading towards the earth and then a little stone fell on the ground causing a crack which unleashed all prophecies' calamities. She had a vision of a 90 percent shut door and another vision where an angel with brass like feet and hands who appeared in the room having a white scroll with golden handwriting which he laid before my wife pointing her to a specific portion of the text, but she was not able to read it as her vision has been blurred. And my 5 years old niece had a vision where Jesus appeared to her, telling her that he is coming soon. Jesus was full of light.

You would have understood we are receiving dreams and visions. Many will say it is from Satan. Jesus said, you will know them by their fruits. To the law and to the testimony!

9: The seals and the trumpets unsealed.

The seals

1: The first seal was COVID-19 with the white horse symbolizing the turning away from self and the seeking of the Lord as redeemer. We saw an unprecedented interest for the bible in 2020. The horseman was given a crown (corona) he conquered the world. It had a bow but no arrow symbolizing an era of deception. What can a bow with no arrow do? Everything done from then was done through deceit. It receives the crown first.

2: the second horseman remove peace from the earth pointing us to the time where the world was rioting in 2020.

3: Then came the third horseman with a weight in her hand. It is a time of judgement and precarity. It symbolises the time following the beginning of the pandemic where in America people were waiting in queues to have some food but during which time life continue its course.

" A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine" Rev 6:6

4: Next come the pale horseman and "Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth."

Famines, conflicts, death is experience on earth during that time. The world is reporting sudden death of people old and young. The war in Ukraine has directly and not cause much death. People are also spiritually dead and the sword of Christ bringing division among people.

5: The fifth seal is about the martyrs

6: And the sixth the coming of Christ.

The trumpets

1: Fire mix with blood accompany with hailstones. It reminds me of the 2019-2020 fire that took place in the Amazon Australia America and Europe. We all remember this, it wasn't normal. Fire mix with blood, animals died in the fire. The same year America had its worst hailstorm, 5ft of hails! During the same period, we saw the hailstorm, the fire mix with blood and an earthquake of magnitude 7 in California. 2019 was also the year during which the world gave its power to the Vatican. The great ingathering of the three unclean spirit was concluded then!

2: The second Angel sounded the trumpet and John saw something like a great mountain falling in the sea.

If the sea means the inhabitants of the world (Revelation17:15) and the Mountain, the world order (leadership model) then the Mountain falling in the sea could be a symbol of the new world order imposed on the world. If blood mean pain and death it will be logic to think that the death of the animals found in the sea is the death of animals that live in the midst of the inhabitants of the world. Unprecedented amount of animal had died ever since 2020.

The ships may be a symbol of commerce. Tens of thousands of businesses around the world has sunk during these three years of crisis.

3: A star named wormwood fell from heaven. It might be Vladimir Putin. Heaven is a synonym for elite. His name Vladimir mean bright and famous. The word star is a synonym of famous. The world become even more bitter since the invasion in 2022.

4: The fourth might be describing the recent volcanic eruption that took place in Russia. The record amount of ashes that was released in the air darkened the sun, the moon and the stars turning day into night. It might also be a description of the gospel being hide from the inhabitants of the world.

The world continues in its abomination thus darkened the sun of justice which is none other than Christ himself. The moon a representation of the word of God also loses a portion of its power and because of that the stars which is a representation of the believers cannot reflect the light from the sun (Christ) and the moon (his word). Light had come to them, but they rejected it saying it is not true that the end is coming, let's continue with our abominations.

5: There will be five months of chaos preceding the end. It must be about to begin.

6: Then the sixth angel sound the trumpet

7: Christ come, and the seven thunders utter their voices.

10: More about me: Hi, I'm Brian Plassan, a thirty-year-old seventh day Adventist who has dedicated his life to the mission. Ever since my encounter with Jesus in 2019, I have never stopped studying scriptures and reading sister White's writings. The Lord has richly blessed me through the works of all his servants.

I went through being a person who truly hated God to a person that cannot live without God, I truly don't deserve all the blessings of the Lord.

I was concern about ever-growing pain of this world and concluded that God is a tyrant. Why all this injustice in the world if you really care for us? Everything changed when in 2019 I found myself with multiple health issues. Like king Nebuchadnezzar I lost all my dignity and suffer to death. Tormented by evil spirit day and night I found in Christ my Savior. I've been saved from literal and spiritual death; I then started studying my bible alongside with the writings of Ellen White. Reading the first chapter of

patriarchs and prophets have been an eye-opening experience to me. Ever since the moment I understood the love of God for me and for all the people around me I couldn't help myself sharing the everlasting gospel to every person crossing my way. So, here I am today sharing what the Lord has revealed to me with you.

11: More about us: We are a non-trinitarian reform seventh-day Adventist church based in Mauritius; a little island located in the Indian ocean. Our mission is the one of sharing the last warning to a dying world. We pray that you will be touched by this message and that you will take a stand for the truth that the Lord has given to his people in these last days.

12: Ellen White-the bible our sure foundation

People often uses the writings of sister White to test the word of God. To my understanding it should be the exact opposite.

Inspiration says "But God will have a people upon the earth to maintain the Bible, and the Bible only, as the standard of all doctrines and the basis of all reforms" Ellen G. White (2013). "Ellen G. White Review and Herald Articles - Book IV of IV", p.383, Lulu Press, Inc

"In regard to infallibility, I NEVER claimed it; God ALONE is Infallible." Selected Messages, Book One, pp 415 and 37.

"Let no one come to the conclusion that there is no more truth to be revealed. The diligent, prayerful seeker for truth will find precious rays of light yet to shine forth from the word of God." Counsels on Sabbath School Work, p. 34

"There is no excuse for anyone in taking the position that there is no more truth to be revealed, and that all our expositions of Scripture are without error. The fact that certain doctrines have been held as truth for many years by our people is not a proof that our ideas are infallible.

Age will not make an error into truth, and truth can afford to be fair. No true doctrine will lose anything by close investigation. Review and Herald, December 20, 1892

"We cannot hold that a position once taken, an idea once advocated, is not, under any circumstances, to be relinquished. There is but One who is infallible --- He is the way, the truth, and the life.

"If the pillars of our faith will not stand the test of investigation, it is time we knew it." Testimonies to Ministers, pp 105 and 107.

"The Bible and the Bible alone, is our creed, the sole bond of union; all who bow to this holy Word will be in harmony. Man is fallible, but God's Word is infallible.

"We have many lessons to learn, and many, many to unlearn. God and heaven alone are infallible. Those who think that they will never have to give up a cherished view, never have occasion to change an opinion, will be disappointed.

"In regard to infallibility, I never claimed it; God alone is infallible. His word is true, and in Him is no variableness, or shadow of turning." Selected Messages, Book One, pp. 416 and 37.

13: The biblical feasts

There are 3 main annual gathering in the bible.

1: Feast of Unleavened Bread or Passover. Hebrew Pesach or Greek Pascha.

2: Feast of Harvest or Pentecost. Hebrew Shavuot.

3: Feast of Ingathering or Feast of Booths or Tabernacles. Hebrew Succoth or Sukkot.

These 3 gathering time are divided into seven feasts.

Passover (day on which Christ was crucified)

Unleavened bread (the week he was resurrected)

First fruit (the very day he was resurrected)

Feast of weeks or Pentecost (the day the Church received the spirit of God and of Christ)

Feast of trumpets (The day announcing the day of atonement)

Day of atonement (Most solemn day of the year)

Feast of tabernacles (A week to remember that we are pilgrims on the earth)

The first and the last feast last for seven days.

For both feast the first and last day is sabbath. The feasts are God's salvation plan.

Knowing the implication of these feast in the plan of redemption is therefore essential.

The 1290 and 1335 days of Daniel 12 finally explained!

I have long wondered about the reason why God has added one month to the 42 months (3 and half year) making it 43 instead of 42. Once again, the number 43 has something to do with controversy. It is 43 months of controversy between good and evil. After 43 months of intense controversy the enemy finally complete the setting up of the abomination that brings desolation to the earth. And as a matter of fact, the great tribulation will start after the 1290th day of Daniel 12:11.

To complete the 1335 days, we add 45 days to the 1290 days. These 45 days are the antitype of the 45 years of Caleb. Caleb was among the spies that went before the children of Israel in Canaan. They were then supposed to enter Canaan after 40 days in the wilderness but finally spend 40 years instead of 40 days in the wilderness because of their disobedience. Now we read in Joshua 14 that after 45 years from the day Caleb went before the children of Israel to Canaan, he received his heritage. Also, we know that Caleb was among the tribe of Judah. Who else will receive the privileges of the tribe of Judah? The 144000! This time it is question of the heavenly Canaan. On the 1290th the saints will contemplate the heavenly Canaan and 45 days later they will receive their lot on the mountain of Zion in the heavenly Canaan. We now know that the tribulation last only 45 days.

Even better! These 45 will be shortened for the sake of the elect. Yes, that's what we can read in the great controversy <between good and evil> by E.G White page 631.1 It doesn't come as a surprise to us for Christ himself said that unless those days are shortened no flesh would survive.

Why did Jesus say But of that day and hour no one knows?

Have you ever asked yourself why Christ said the following "But of that day and hour knoweth no man"? I'm going to give you the answer. He begins by telling us to pay attention to the setting up of the abomination spoken of by Daniel the prophet, right? He gives us all the details about how the prophesy of Daniel 12 is to be fulfilled. After that very detailed prophecy he said, "But of that day and hour no one knows" What he meant by this is that the year and the month has just been plainly revealed but of that day and hour he cannot say anything. It has been plainly revealed because the signs and the duration of the abomination is revealed. Daniel 12 and Matthew 24 when combined together reveal when, how and for how long the last part of prophecy will last. Now, to whom were Jesus speaking? to people living in the first century. Have you read about giving bread in due season in the bible? Bread means the word and revelations of God that he gives to his children through the bible. What is present truth for us was not present truth for them. Meaning, it makes no sense to repeat NO ONE KNOWS THE DAY AND THE HOUR like most are actually doing in these last days. I certainly do not know the day and the hour but what i can tell you for sure is that the year is right before our eyes. You see, Christ has expressively said that the year and the months will not be hidden for the people living during the very last days. It is the day and the hour that will be kept secret. Until when? Until the Father make it known to the Son, the angels and finally to all his children.

ADVENTIST-DANIEL 12 LAST WARNING 2023 THE END-DANIEL 12 PROPHECY ONLY 3 ½ YEAR FROM COVID-19

Important notice: We know not the day & the hour!

The new world order began with COVID-19, Daniel 12:11 the new TAMID (daily routine) NEW NORMAL from 2020-2023!

Matthew 24:15 Jesus' instruction on the setting up of the abomination-Ellen G White counsel on Daniel 12

"Let us read and study the twelfth chapter of Daniel. It is a warning that we shall all need to understand before the time of the end" Manuscript Releases 15:228 (1903) Written in 1903 LONG AFTER 1844. Who would you believe Christ and his servant or the leaders of the Church?

The abomination that brings desolation was set up in March 2020 the month the world forever changed, and the 1290 days ends in Sep 2023. History is repeating itself!

THE FALL OF JERUSALEM abomination set up 66AD 3 ½ year later 70AD Jerusalem was in ruin! Share the warning to the Church. Don't judge before investigating the matter. You aren't exempt from errors, God and God alone is perfect. Just as the Jews were deceived by false teachings and misrepresentation of the truth so the SDA Church have been deceived. Sister White writings and BIBLE verses twisted for the ruin of many. **BEWARE OF THE LEAVEN OF THE PHARISEES!** **The 7th trumpet is sounded at his return!** When the 7th trumpet is sounded the 7 thunders utter their voices & the day & hour of his return is revealed. See GC by EGW & Rev 10 & 11. The moment the 7th trumpet is sounded the thunders utter their voices; time cease to be Rev 10:6. The 42 months of Rev 11 is not recorded in history; therefore these 42 months are literal days!
