

Terms & Conditions

These terms of use (the "Terms") govern your access to and use of our app and services (the "Services"). By accessing or using the Services, you agree to be bound by these Terms and our Privacy Policy. If you do not agree to these Terms or the Privacy Policy, do not use the Services. The Services and all content and materials included on or comprising the Services, including, but not limited to, text, graphics, images, software, and videos, are the property of us or our licensors and are protected by copyright and other intellectual property laws. You're not allowed to copy or modify the app, any part of the app, or our trademarks in any way. You're not allowed to attempt to extract the source code of the app, and you also shouldn't try to translate the app into other languages or make derivative versions.

We reserve the right to modify, suspend, or discontinue the Services at any time, for any reason, and without notice. We will not be liable to you or any third party for any modification, suspension, or discontinuation of the Services.

We will never charge you for the app or its services without making it very clear to you exactly what you're paying for.

We reserve the right to terminate or restrict your access to the Services at any time, for any reason, and without notice.

The app stores and processes personal data that you have provided to us, to provide our Service. It's your responsibility to keep your phone and access to the app secure. We therefore recommend that you do not jailbreak or root your phone, which is the process of removing software restrictions and limitations imposed by the official operating system of your device. It could make your phone vulnerable to malware/viruses/malicious programs, compromise your phone's security features and it could mean that the app won't work properly or at all. The app does use third-party services that declare their Terms and Conditions. Link to Terms and Conditions of third-party service providers used by the app

With respect to Kaja Czarnecka's responsibility for your use of the app, when you're using the app, it's important to bear in mind that although we endeavor to ensure that it is updated and correct at all times, we do rely on third parties to provide information to us so that we can make it available to you. Kaja Czarnecka accepts no liability for any loss, direct or indirect, you experience as a result of relying wholly on this functionality of the app.

At some point, we may wish to update the app. The app is currently available on iOS – the requirements for the system (and for any additional systems we decide to extend the availability of the app to) may change, and you'll need to download the updates if you want to keep using the app. We do not promise that it will always update the app so that it is relevant to you and/or works with the iOS version that you have installed on your device.

However, you promise to always accept updates to the application when offered to you. We may also wish to stop providing the app, and may terminate use of it at any time without giving notice of termination to you. Unless we tell you otherwise, upon any termination, (a) the rights and licenses granted to you in these terms will end; (b) you must stop using the app, and (if needed) delete it from your device.
