

# Dimple Creation In Dubai

Dimples, those small and enchanting indentations that appear when a person smiles, have captivated hearts for generations. They are often associated with charm, youthfulness, and a warm, friendly demeanor. While some are naturally blessed with these endearing facial features, others seek to create them through dimple creation surgery, also known as dimpleplasty [of Dimple Creation In Dubai](#).

**Consultation:** Before the surgery, patients have a consultation with a qualified plastic surgeon. During this consultation, the surgeon evaluates the patient's facial anatomy and discusses the desired dimple size and placement.

**The Procedure:** [Dimple Creation](#) is a minimally invasive procedure that is typically performed under local anesthesia. A small incision is made on the inside of the cheek or chin, where the dimple is desired.
