Notice

1. Please read the following terms carefully to ensure valid warranty.
 - 1) From the date of purchase, the aircraft (excluding the propeller blades) is in warranty for 12 months, and the battery for 6 months. You are required to provide this warranty card and valid proof of purchase (such as invoice) before maintenance. If you cannot provide valid proof of purchase, the warranty period shall be deemed from the date of production.
 - 2) In the warranty period, the faults (judged by regular staff of the Company) under normal uses according to manuals shall be repaired free of charge.

2. In the warranty period, if one of the following situations occurs, it will be out of warranty, you can choose the paid maintenance service:
 - 1) Misuse, improper use or violation of instructions, or connect to improper power source;
 - 2) Self improper maintenance, or any unauthorized repair, modification or disassembly;
 - 3) Subjected to strong impact, compression, or placed in inappropriate environments (such as water, fire);
 - 4) Flying at high altitudes, in rain, snow, high wind or other improper weathers;
 - 5) Failure or damage caused by accident or other unavoidable external factors.

3. Appearance of the product is not covered under warranty.

4. After the warranty expires, you can still get service provided by the Company, subject to payment of the appropriate fee.
