Zurich Insurance Agent Limited is a Tanzania based company founded in 2010. It is a company limited by shares. It stands as a brokerage firm that acts as a Link between clients and Insurance Companies that we represent. The Company started as an Insurance Agency since 2010 and was in operation since then. During that time we managed to provide insurance services swiftly and reach a wide clientele from different walks of businesses, ranging from trade, manufacturing, transport marine as well as Banks which is our main focus. We use our knowledge in the insurance field to secure our clients with solid Insurance covers that suit their financial needs.

MISSION

To provide insurance solutions/services (obtained locally and / offshore) to our esteemed customers in a speedy and professional manner at competitive rates.

VISION

To become reputable insurance service providers in the region and strategically develop our brand for mutual business relationship with the entire network of insurance services suppliers in the region and / offshore

SLOGAN

"Insurance = Necessity = Basic Need"

The world is increasingly experiencing dynamic risk challenges that prevail in this contemporary international business practices as well as general life cycle. This fact necessitates the need for insurance service in everybody's walk of life and in every human activity. Thus Zurich Insurance Agent Limited qualifies insurance service as the 'fourth human basic need'.

PRODUCTS & SERVICES

Protecting you and what is yours from financial impacts caused by unfortunate events is our job. We put you first by providing innovative solutions to your Insurance needs. We offer the following packages of Products and Services to our customers;

1. Property Insurance

Provides financial reimbursement against most risks to the owners own property against things such as theft, fire and some weather damage. At times includes specialized forms of insurance like Fire insurance, Flood insurance, earthquake insurance, home insurance, boiler insurance and more.

Here at Zurich Insurance we offer the following types under this category;

- Fire & Special Perils Insurance
- Property All Risk Insurance (including Burglary)
- Loss of Profit/Business Interruption Insurance
- Home Owners Insurance
- Boiler Explosion Insurance

- Fidelity Guarantee
- Money/Cash in Transit Insurance

2. Motor Insurance:

A motor insurance policy is a mandatory policy issued by an insurance company as part of prevention of public liability to protect the general public from any accident that might take place on the road. The law mandates that every owner of a motor vehicle must have one motor insurance policy. At Zurich we offer different types of cover:

- Third party Insurance
- Comprehensive Insurance
- Special vehicle type insurance.
- Public service vehicles.

3. Construction/Engineering Insurance:

An adequate insurance protection against risks involved in the construction and engineering of different structures. It covers damage to electrical and mechanical machinery and any loss or damage to a building structure while still under construction. What is offered by Zurich under this particular category is;

- Contractors All Risks Insurance
- Electronic Equipments Breakdown Insurance
- Machinery Breakdown Insurance
- Plant All Risk Insurance.
- Erection all Risk Insurance

4. Home Insurance:

Sometimes known as Homeowners insurance. This covers the private residence of a person. It combines various personal Insurance protections to cover one's own home, its contents, the loss of use of one's own home or loss of other personal possessions of the home owner. We offer;

- Building Insurance
- Content Insurance
- Servant's Property Insurance

5. Marine Insurance (Cargo Insurance):

This relates to sea (water bodies) operating vehicles like ships and yachts. It covers loss or damage to the vessel itself (e.g. Ship), cargo onboard (which also includes passengers), and terminals. At Zurich we provide cover for;

- Specific Cargo Insurance- Open Cargo
- Inland Transit Insurance- Carrier's Liability Insurance
- Hull Insurance
- Comprehensives Yacht Insurance

- Third Party Liability

6. Insurance Bonds (Investment bonds):

A tool for investment related to life insurance. A straightforward investment that allows the owner of the bond to receive tax free earnings if they hold the bond for a long period of time like 10 years or so. You will find at Zurich cover for;

- Custom / Transit Bonds
- Financing guarantee / Bonds
- Bid / Performance / Advance payment bonds

7. Liability & Casualty Insurance:

A broad category of insurance which mainly offers protection against claims arising from injuries or damage to other people or their property. What is offered at Zurich in this category is;

- Workman's Compensation Insurance
- Employers Liability Insurance
- Products Liability Insurance
- Professional Indemnity Insurance
- Contractors Third party liability Insurance
- General Third party Liability Insurance.

8. Life Insurance:

9. Health Insurance:

This is a type of insurance coverage that pays for medical and surgical expenses that are incurred by the insured. Health insurance can either reimburse the insured for expenses incurred from illness or injury or pay the care provider directly. Under this section we offer ;

- Health Insurance- Short travel medical plans
- Short travel medical plans
- Tourist travel evacuation plan
- Student medical (school/college)
- Student medical plans abroad
- Medical evacuation plans
