

## CONGENIALITY

You are courteous, solicitous & polite. People find you good company & speak freely in your presence. You have advantage on abilities to read a person & manipulate them into believing you or assisting you. As you have their full attention, it is difficult to extricate yourself from conversation with your new friend(s). Rudeness may have social consequences.

### Advantages

Add Id4 to skill checks for History, Insight, Perception, Deception, & Persuasion

### Disadvantages

Deduct Id4 from skill checks for Intimidation, Sleight of Hand & Stealth

## MYSTERY

Your aloofness has intrigued some, while others do not even notice your presence. You are able to observe from the sidelines surreptitiously without scrutiny. You have advantage on reading the crowd & intuiting who is doing what & why. You are at a disadvantage, however, if you try to ingratiate yourself or interact with others.

### Advantages

Add Id4 to skill checks for Sleight of Hand, Stealth, Investigation, Insight, Perception & Intimidation

### Disadvantages

Deduct Id4 from skill checks for Acrobatics, Deception, Performance & Persuasion

## CAMARADIE

By throwing yourself into the festivities & introducing yourself to others, you have become the life of the party. Your willingness to engage & your jovial nature gives advantage on entertaining others & partaking of food & drink. However, you are less aware of how others respond to you and you have disadvantage on social cues and awareness of your surroundings.

### Advantages

Add Id4 to skill checks for Acrobatics, Constitution & Performance.

### Disadvantages

Deduct Id4 from skill checks for History, Investigation, Insight & Perception

## RESPECT

Your somber disposition has impressed others. They believe you are an honorable & dignified person, deserving of their respect. Their desire to ingratiate themselves with you gives advantage on manipulation and convincing others to assist you or believe you. Social fickleness, however, means that any break in decorum gives disadvantage on maintaining this façade.
