- within my past, present and future beings,
- selves and existence in this dimension and time stream
- and all time streams above and below the Earth centric sine wave of co-existence.

At this exact moment, in the ever-present co-creating moment,

I summon all DNA lineage ancestors to create a unified-proper spiritual court of equity so I may find remedy and resolve with all contracts that have inserted fine print during the pre-birth and birth process.

I call forth the proper spiritual court of equity to hear my decree of contract removal.

I revoke all spiritual contracts with Earth based religions, cultures, belief systems and industries that dominate and control the divine feminine power in our world and create an energetic imbalance that effects every man woman and child on the planet.

I call forth all ancestors of all soul relations to hold space in this spiritual court of equity.

I call to Earth Mother and all her light denizens within all inner and outer space to come forward and occupy this spiritual court of equity. Oh great mystery who is the source of all power, I call to you.

Come with your sacred synchronicity so all beings may hold space with unity consciousness.

I hereby revoke contracts of all religions and cultural belief systems that place the feminine in a dominated position of inequality. These include the projections of unequal pay, the inability for a woman to earn a living, own land or a business, or receive an education of her choosing.

I do not consent to the feminist movement that was created and funded by the CIA to separate a woman from her divine feminine power, foster a hatred for men and create separation and division in the soul family unit.

I hereby revoke all cultural belief systems that create the expectations of a “woman’s duty” to hold an unrealistic burden alone and suffer in silence.

I do not consent to all social policing systems that have been put in place to make a woman feel like she is too sensitive, too emotional, or out of control in the attempt at gas lighting a woman’s soul to make her feel like she is unstable or insignificant.

I hereby revoke all contracts of cultural belief systems where female children are murdered at birth, sexually mutilated as a supposed “rite of passage”, sold off into a billion dollar child pornography industry, or trafficked as sex slaves.

I do not consent to the porn industry that has been the breeding ground for sexual perversion spiritual contracts and the exploitation, degradation, victimization and bastardization of the divine feminine power. I hereby revoke the following spiritual sexual perversion contracts that are targeted at separating a woman from her divine feminine power:

-all group sex and polyamorous programs that are all a perversion of divine sexuality aimed at making a woman feel that she is somehow “not enough” -all double standards in cultural belief systems where recreational sexual promiscuity, multiple wives, harems and mistresses are allowed and celebrated for a man, but cause social ruin for a woman.

-all programs that create projections that men put on women while masturbating, as well as perverted fantasies that are used as a barrier between the heart space of a man and a woman in a sacred sexual bond.

I hereby revoke all spiritual contracts with the medical industry that have damaged a woman's health and ability to reproduce according to the natural laws of Earth Mother. Birth control drugs, and other chemicals in our food water and air that cause sterility or over-sexuality. As well as clothing that is damaging to a woman's health such as bra's, heels, corsets, bound feet, and tampons.

This includes rape victims, teenage pregnancies and forced or arranged marriages. I return to Earth mother the natural incarnation grid. I now permanently delete the reincarnation grid from my soul existence.

I do not consent to all programs aimed at making a woman feel too fat, too thin, too old, too young, too black, too white, too ethnic, too rich, too poor, or any projection at all that makes a woman feel that she is somehow not good enough.

I hereby declare that I am more than good enough, I am infinite consciousness. I am God Goddess incarnate. I am a sovereign being and I hereby reclaim my divine feminine power in this spiritual court of equity.
