

**TRANSPORTATION NETWORK COMPANY
CERTIFICATE OF APPROVAL**

This Certificate of Approval is issued pursuant to the authority vested under the provisions of the *Traffic Safety Act*. Approval is hereby granted to the named certificate holder to operate as a Transportation Network Company in Alberta:

CERTIFICATE HOLDER:

EFFECTIVE DATE:

EXPIRY DATE:

The holder of this Certificate of Approval must comply with the following conditions:

- Authorized to provide Transportation Network Company services only in the communities as filed with the Registrar.
 - * The Transportation Network Company must notify the Registrar of any changes to the communities where the TNC services are provided within 15 days after the change.
- Comply with all applicable motor transportation legislation and with all requirements as outlined in the *Transportation Network Companies Regulation*;
- Ensure that its transportation network drivers do not solicit, accept or transport passengers other than through the use of a transportation network (street hails are not permitted);
- Comply with applicable bylaws in the community(s) where service is provided;
- The original or a copy of this Certificate of Approval, which may be in electronic form, must be carried in each vehicle and be produced on demand of a Peace Officer;
- Maintain minimum insurance coverage as specified in the *Insurance Act* and the *Traffic Safety Act* and regulations thereunder.

The Registrar may take intervention action for failure to comply with any provisions, conditions and applicable transportation legislation.
