Creating Opportunity

MISSION:

CCO organizes communities for racial justice and social change.

VISION:

Dignity for All!

VALUES:

Faith, Justice, and Action

CAMPAIGNS:

- Racial equity & inclusion
- Health access & equity
- Economic dignity

- Early childhood education
- Civic engagement

MODEL:

CCO supports the formation and success of community-based Justice Coalitions in the KC metro. A coalition leads campaigns that directly affect its community. It also has the opportunity to help (not lead) other coalitions' campaigns.

JUSTICE COALITION

- Can be based around your neighborhood, church, city, zip code, school -- your *community*.

JUSTICE COALITION

- CCO supports your mission through organizer and leadership trainings, communications (signs, flyers, social media accounts), turnout (e-blasts, phonebanking, canvassing training), direct monetary support, and more.

JUSTICE COALITION

- Decide what issue to tackle in your community, relating to one of CCO's 6 campaigns above. Work with CCO to strategize how to win social change through pressure on civic or business leaders, ballot initiatives, etc.
