EQUIPMENT & FACILITIES

The equipment displayed down below is what I will be using for this unit, this is essential as it will allow me to manipulate my music magazine cover and feature article to a professional standard.

Evaluating sheet & Pens

Source- The sheet will be supplied by the teacher, and I would need to purchase a pen.

Use- I need the sheet to find out what needs to be improved in order to gain a higher grade, plus I will be evaluating other student's music magazine covers and feature articles.

<p>InDesign</p>		<p>Source – The programme is already installed into the computers therefore I don't need to download/purchase this feature.</p> <p>Use- I will need this to manipulate my images up to a professional standard for my music magazine article. I will also use the programme to create an appropriate layout for my article.</p>
<p>Photography studio</p>		<p>Source – The equipment is already provided by the school; therefore no expenses would be made.</p> <p>Use- This is where I will be taking my images for the magazine cover and article using the green screen and lighting equipment.</p>

<p>Nikon Camera</p>		<p>Source- This will be provided by the college meaning no expenses would be made</p> <p>Use- I will need a camera to take images for my music magazine cover and feature article</p>
<p>Photoshop</p>		<p>Source – The programme is already installed into the mac computers therefore I don't need to download/purchase this feature.</p> <p>Use- I will need this to manipulate my images up to a professional standard for my music magazine cover. I will also use the programme to create an appropriate layout for my cover.</p>
<p>Computer</p>		<p>Source- There is a diverse of apple mac computers in the media room for me to choose from.</p> <p>Use- This is very important since I will be using the computers to store all my work, primarily the final creations plus Adobe Photoshop will also be used on this.</p>

CODES OF PRACTICE & REGULATION

Copyright is a legal means of protecting someone else's work. It is a type of intellectual property that provides exclusive publication, distribution, and usage rights for the person. This means whatever content the person has created cannot be used or published by anyone else without the consent of the author. Copyright holders have the right to seek damages against those who violate their rights in the form of a civil lawsuit. Those found guilty, may be fined damages as well as fined for legal fees. I have to ensure that I will have permission by reaching out to the copyright holders and asking if I can have their consent to copy their images. Content clearances are anything that appears in my production needs to be cleared. This includes: products, logos & brand names & images; font, text & designs; famous works & people.

Unit 14: LA2

An example that I may need permission for when designing my magazine is using an online barcode. I would need to contact the copyright holder in order to receive this permission.
