AVATAR

COLORING BOOK

KALTXÌ!

This is the very first official coloring book of the AVTR discord community!

Several of our artists were brought together to make a variety of AVATAR themed coloring pages. From the mighty creatures to the beautiful Na'vi and from the rich flora and fauna to the complex RDA vehicles — there's something for everyone. So grab yourself some paint or pencils and get creative!

Want to join our community? You can do so through this link:
