

**Bitpanda is a cryptocurrency trading app. Currently it offers 10€ for referring a friend + 5€ extra if you complete their quiz (get 12/15 questions right). On top of that, i offer you another 6.5€, so in total you get 21.5€ !**

**Their terms: <https://www.bitpanda.com/en/legal#terms>**

**Here are the steps:**

**Register via this link: <https://www.bitpanda.com/?ref=778531402366200858>**

**Verify your identity via a video chat (takes like 3-5minutes, nothing too serious).**

**Deposit 25€ via bank transfer and buy any crypto for the said ammount.**

**You'll get the said 10€ after succesful transaction, this is the referer a friend bonus.**

**After that, go to <https://www.bitpanda.com/academy/en/> and take their quiz (note: intermediate version is still to come, so more oportunities to earn!). Get atleast 12 out of 15 questions right and you'll get 5eur worth of crypto into your wallet.**

**Exchange everything into eur and withdraw back!**
